MORTONIAN

1951

Best o' luck
Judy Russell

To the nicest
and friendly
girl I know
lots of
success
in your future
Bob

Dear Hattie,
Best of luck
in the future.
Hoping your
dreams
Charlotte

Dear
Hattie,
Best wishes to
a very nice &
charming girl. Have
fun during the rest
of your years there at
Morton. Love & Stuff
Jean Helen

Dear Hattie
I wish you
lots of luck and
happiness in your
high school career. Have
good times, and good
grades.
Marilyn
and
Logan

Dear Hattie,
It's been nice knowing
you. I hope I see you next
year.
Sandy
Jones

Dear Hattie
I've been real swell
having you in gym and B. A.
this year. I hope I will see
you around again next year
Best wishes to a swell girl
may you have all your wishes
come true
Be good now
Love and success
Mary Alice
Erickson

Dear Hattie,
I've been running
in math and Bethel, I hope I will
be friends for many more years
Lots of Love and Stuff
Carol Vonnes

Dear Hattie,
Best wishes to a
nice girl. May you
always have the tops
of everything.
Betty Kremer

Elaine Petrovich

Property of
Hattie Schulmeister

Dear Hattie
Lots of luck to
a swell
girl.
As always
Judy Fast

Dear Hattie,
I hope this last
year has brought you as
much fun, luck, and joy, a swell
as it has brought me.
Love
Van Walker

Best of Wishes
Pat Doyle

Dear Hattie
Even though you, Natalie
and I are the best of chums
we still have each other, Barry!
We always called you) late-is but
it isn't for graduate (best of luck
as a
Barbara Garms

Dear Hattie
May your life
always be filled with
success! Best Wishes
Yvonne Ceschke

Dear Hattie:
Best of luck and
success at most
in the future. Have
a nice summer.
Your friend
Joyce Pollack

Dear Hattie
Good Luck
always
Harry Kruger
USN

Dear Hattie
Lots of luck
for your future
years.
Marlene
Belza

Lots of luck
to a nice kid
Irma
Cowell

Best of wishes
from the boy across
the room.
Ed Schuster
7th hour

Dear Hattie,
Best Wishes
to a swell
kid.
Margie
Prochaska

Dear Hattie
Best of luck in
your future under-
takings at Morton
High
Your G. A. friend
Marie Vinero

Dear Hattie,
A circle is round and
has no end
And that's how long
I'll be your friend.
Love,
Arlene M. Jenetek
154

Dear Hattie
I've been nice
you in the
I hope
year.
Love
Madena Pieper

Dear Hattie,
It was fun having you in English -
(But we got into an awful lot of trouble, boy!)
Are you + Bob going to join the
Preservance?

Baba Yacek

Dear Hattie
Here's wishing
you a successful
future at Morton
Armand Jenini

Dear Hattie,
I hope you're very
happy in your future years
at Morton. It's been
swell having you in class!!
Jean Flot

Dear Hattie
good luck in your sophomore
year. And have lots of fun
Joyce Mesca

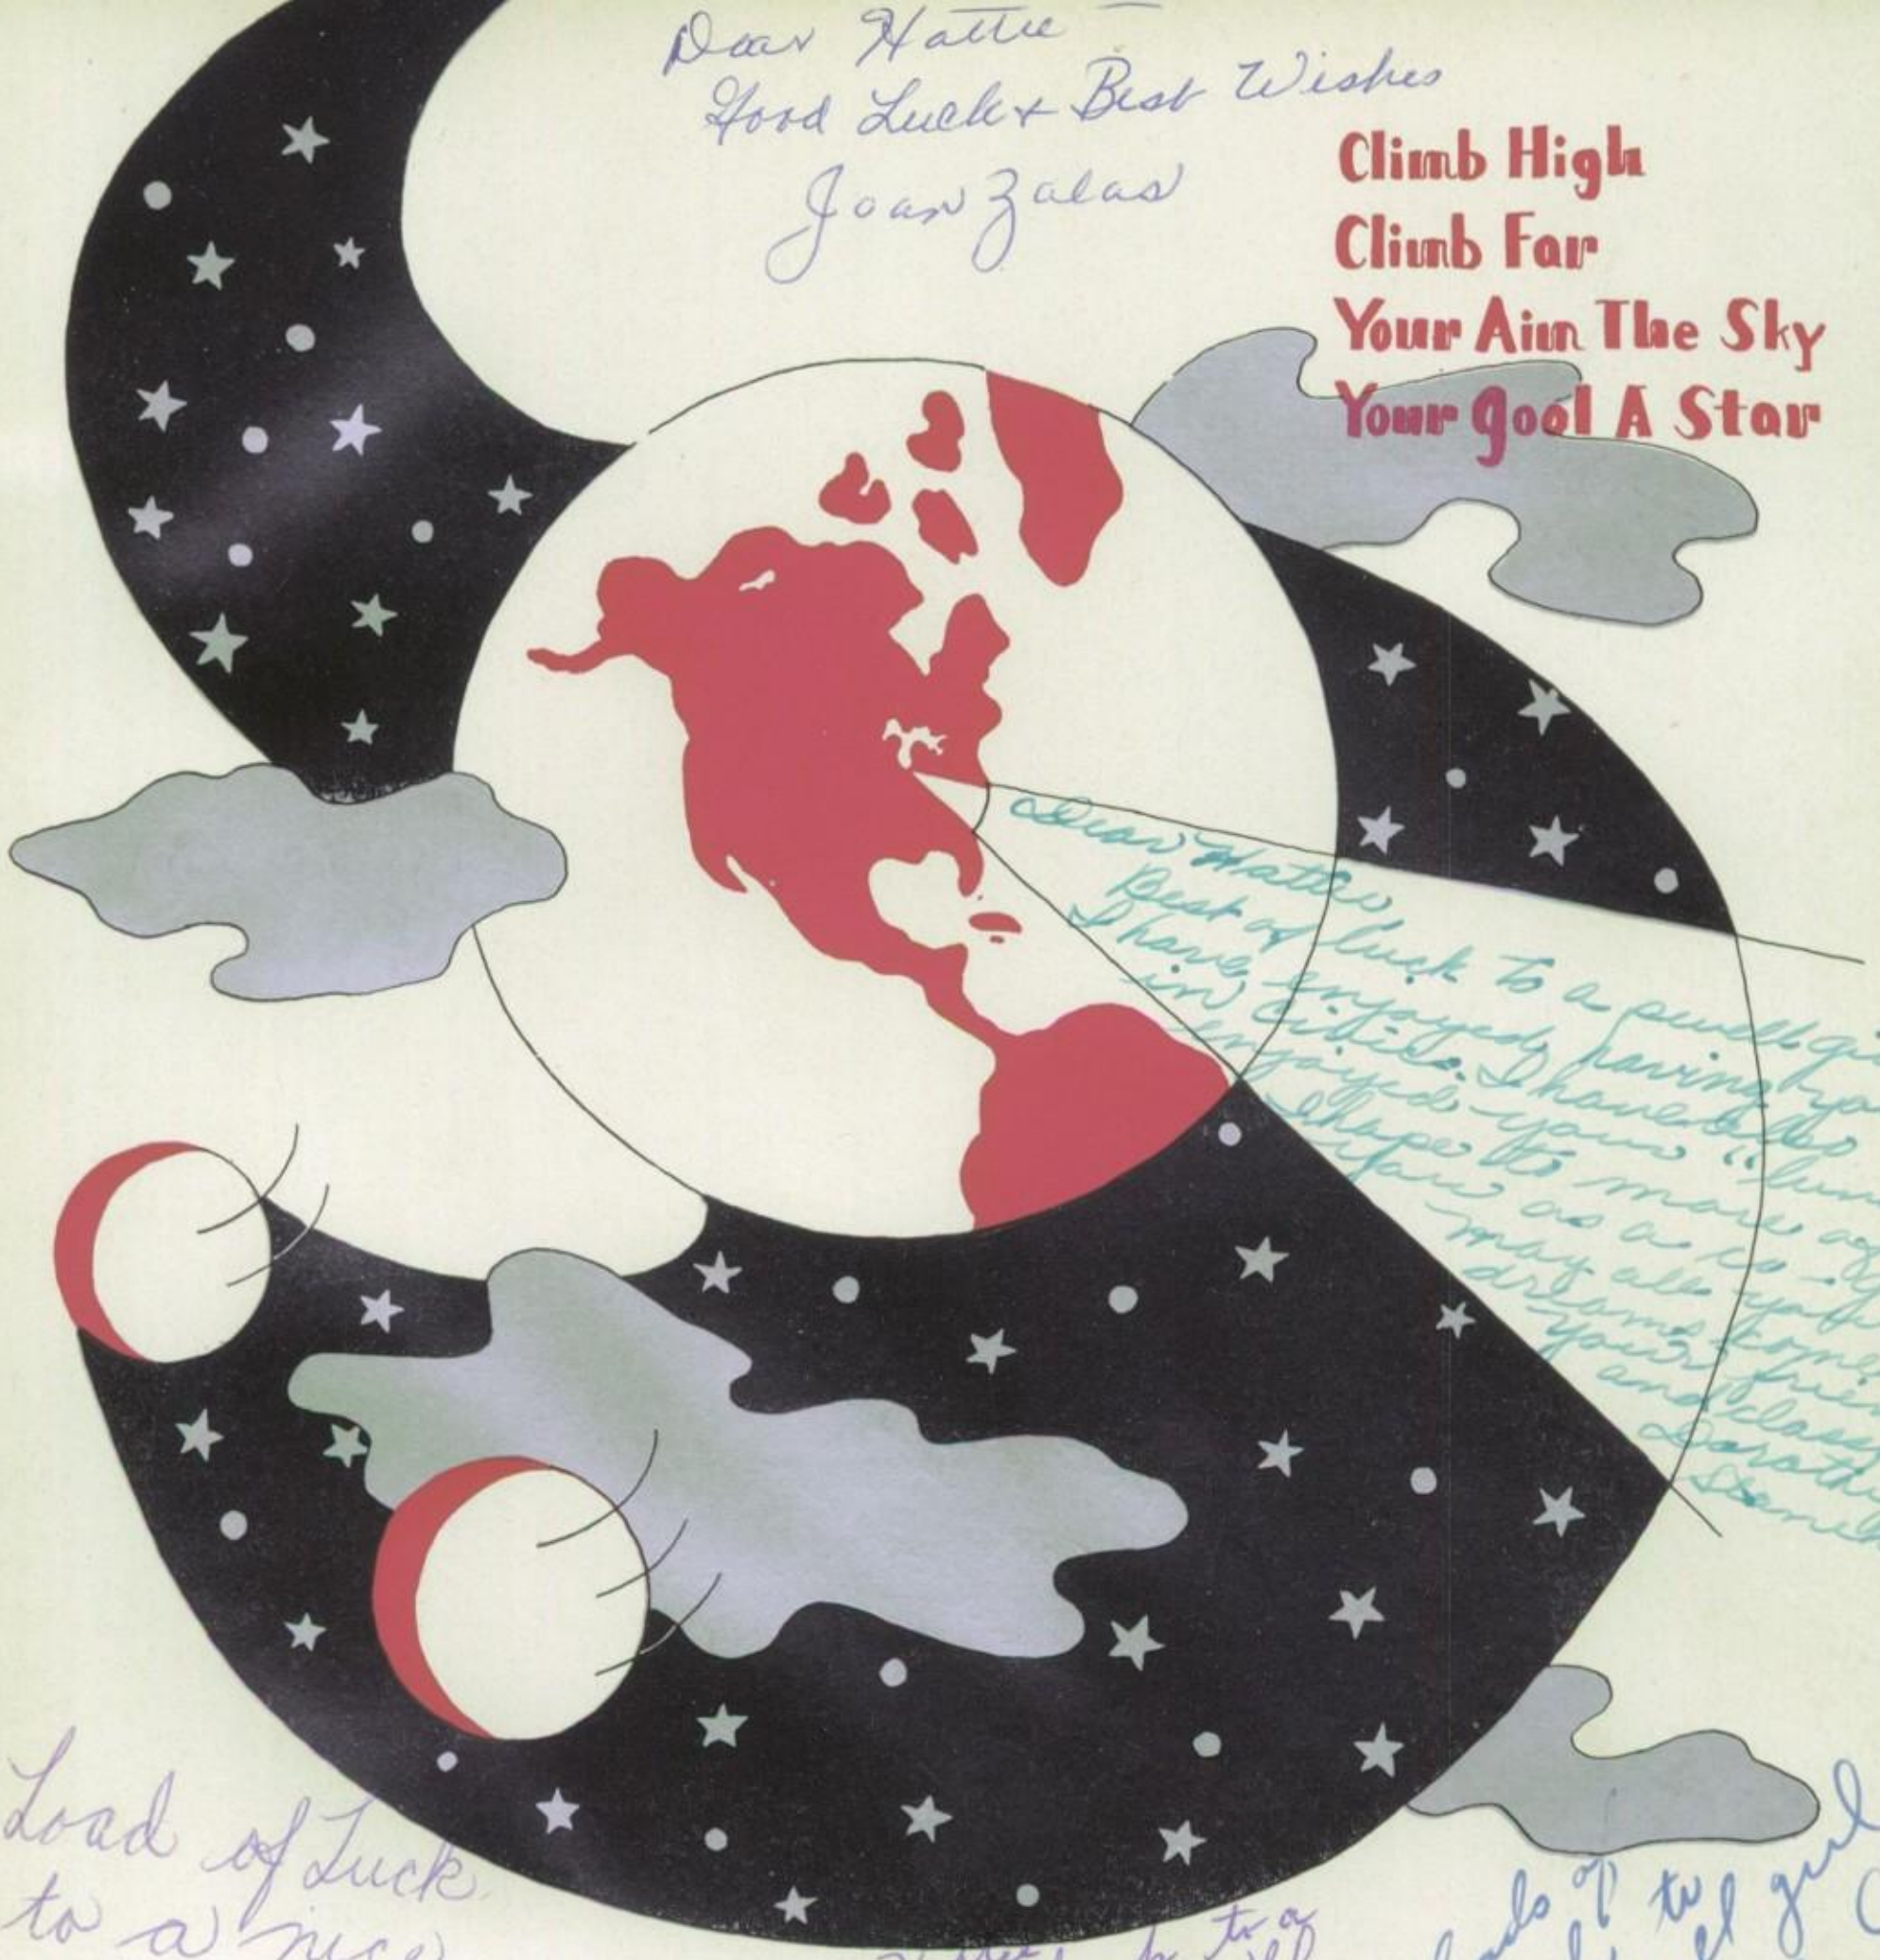
Lots of luck in future years,
Love,
Pat Sommer
GA

Good luck on your
next 12 years in
Morton.
Fred Sedzy

Best of Luck
in Motor
your "friend"
Donald Kehl

Dear Hattie —
Good Luck + Best Wishes
Joan Zalas

Climb High
Climb Far
Your Aim The Sky
Your Goal A Star



Dear Hattie
Best of luck to a peach of a girl.
I have enjoyed having you in Civics. I have also enjoyed your "line".
Hope it's more of the same as a co-ed.
May all your dreams come true.
Your friend and classmate
Dorothy Sands

Load of luck to a nice girl
Love Norma Neuberg

Dear Hattie
Lots of luck to a real sweet girl. See you next year.
Love, Marilyn Pullman '51

Loads of luck to a sweet girl.
Love

Nancy Frantz

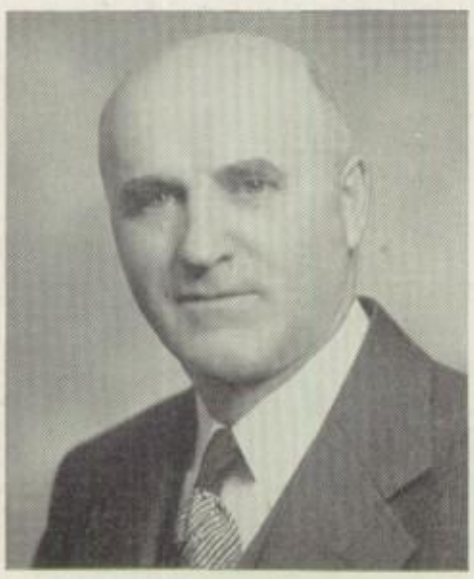
Dear Hattie,
Wishing you loads
of luck and happiness
in your future years
at Morton.
Love,
Mary ann
Wolfe

here

Dear Hattie,
I sincerely hope you will have the best of luck in your next three years.
Darrell McCready

Board of Education

Mr. Edward W. Chodl



Mr. Joseph F. Mrizek

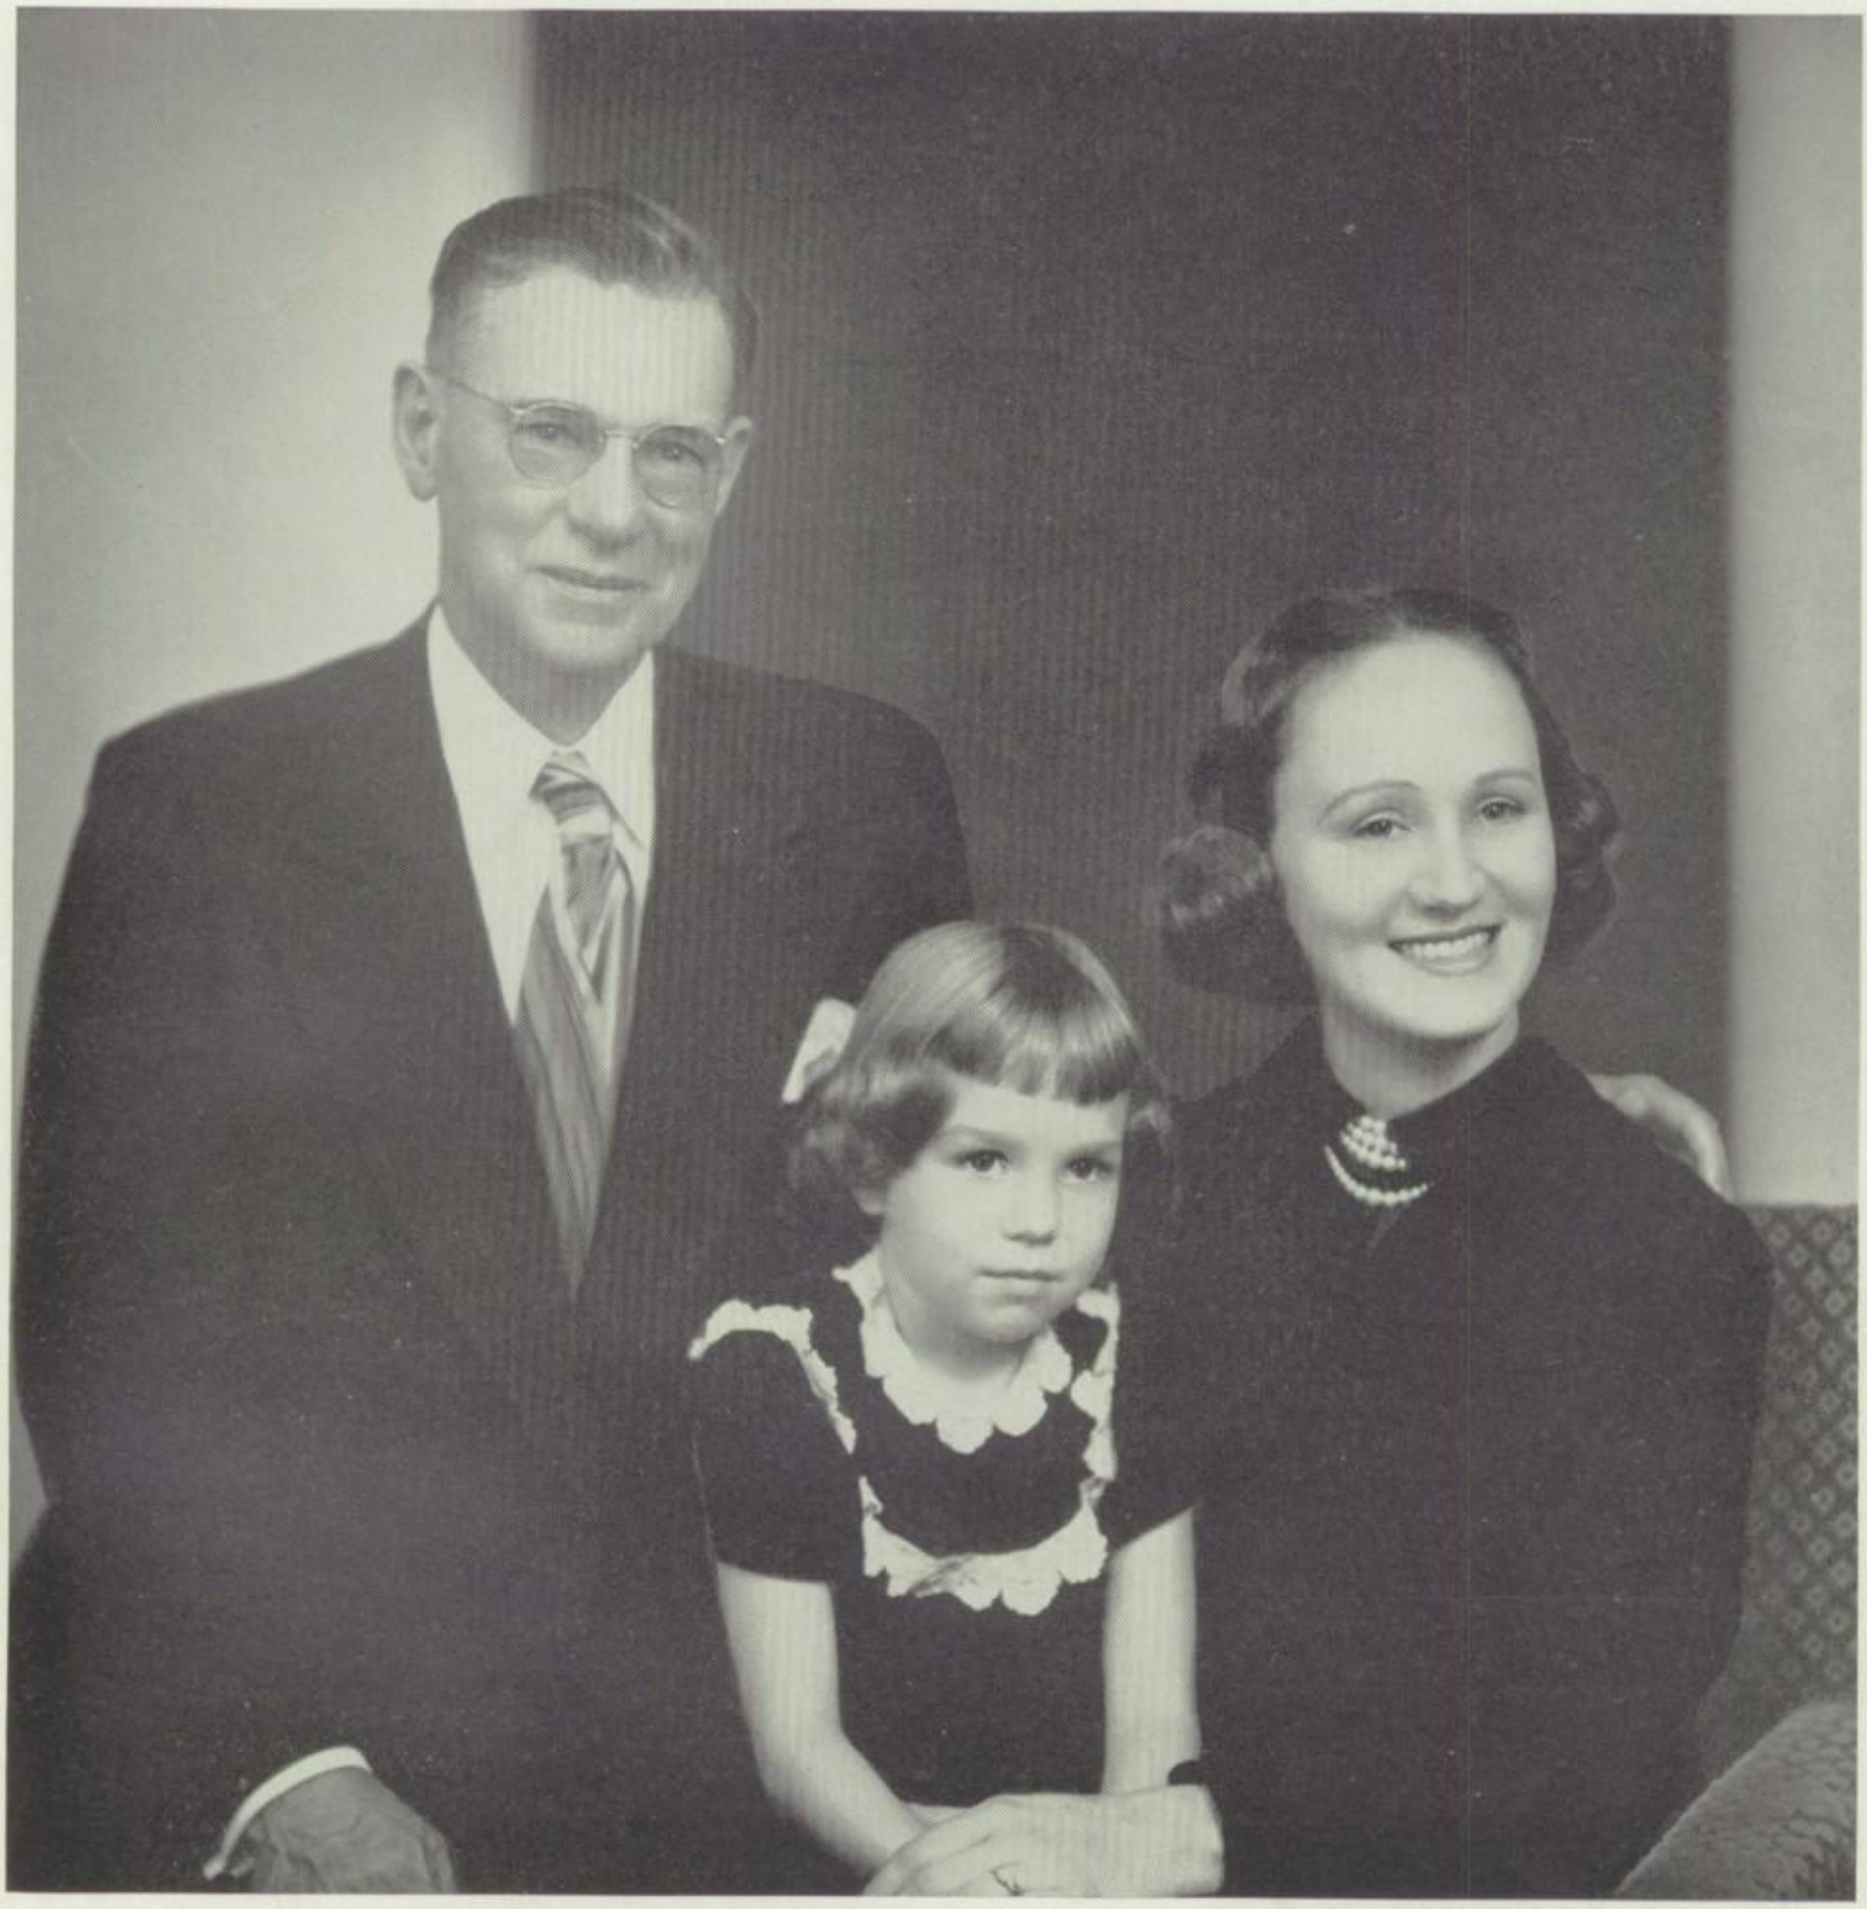
Mr. George Prosch

Mr. Otto Pecha, Jr.

Mr. Charles Matt

The Board of Education is composed of five citizens of our school district elected by the people. Hardly any students ever have any personal connections with them; however, constantly having our welfare in mind, they increase our educational opportunities, provide equipment for the gyms, appropriate public funds toward Morton's maintenance, and generally render a great deal of service to the school.

Superintendent



MR. W. P. MacLEAN

Our sincere gratitude is cordially and gratefully extended towards a man whose understanding and guidance has been the encouragement behind teachers and students alike. He tirelessly performs many varied tasks in his position as Superintendent, and by so doing has made our school superior to anything it has previously been. We owe much to Mr. MacLean—a fine man who has admirably filled a difficult position.

Hattie,
I wish you lots
of luck at Maton
and in the future.
Your Friend,
Bob Moses

Administration Aids

MR. ALLEN R. MOORE
Assistant Superintendent

In co-operation with our superintendent, Mr. Moore helps to further the educational standards which we prize so highly. He helps to keep our school on the same high plane that has won us recognition in the past.

MR. E. BLAIR
Business Manager

All of our finances are ably distributed by Mr. Blair who has charge of acquiring textbooks and materials for both high school and junior college and keeping the 'caf' running smoothly. Through his fine and ceaseless efforts he has greatly changed the appearance of our school for the better.

MR. E. W. GREEN
Director of Public Relations

Mr. Green, affectionately known as 'Pop', handles the extra-curricular activities at Morton, making him extremely popular. Our radio program is under his direction, and he makes assemblies extremely entertaining by acting as Master of Ceremonies. Our Director of Public Relations is loved by all for his genial character and friendly attitude.

Department Heads

Dear Hattie,
I decided to write
by the Deans for here
they can watch over me so
I won't say anything wrong.

Miss Palm brings the world to her classroom.

Mr. Niemi . . . Huddle in machine shop.

Medical Department . . .

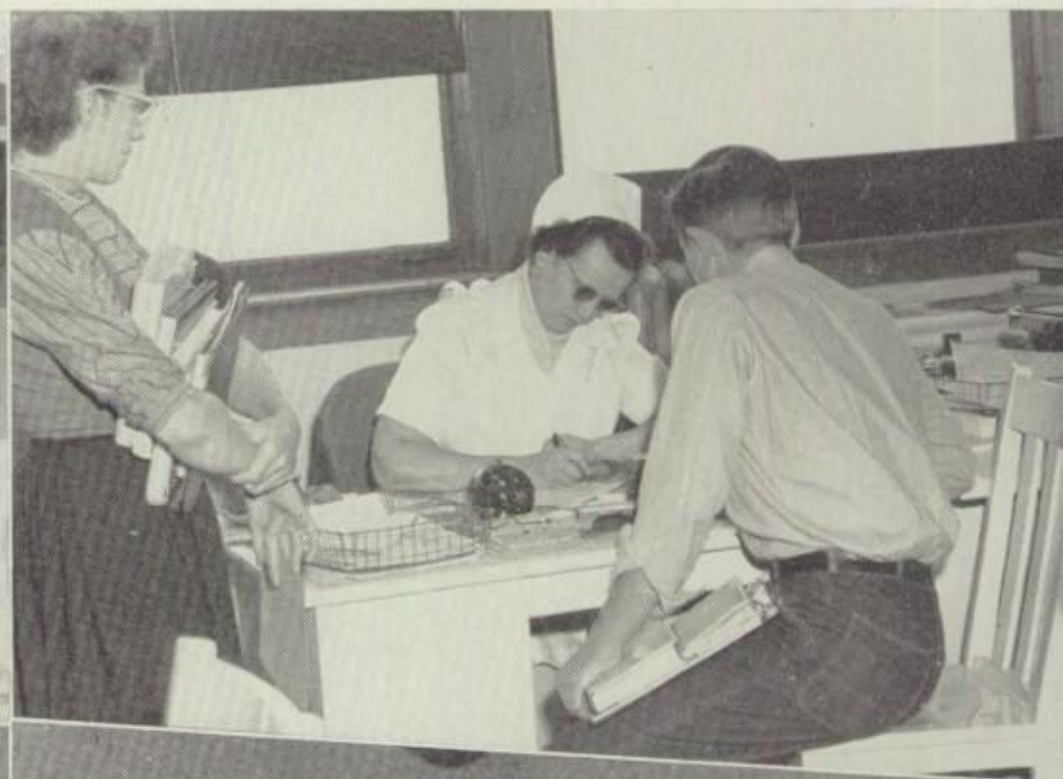
There is a continual stream of traffic passing through Room 380. Why? Excuses from classes and home passes are issued there. The medical department has managed to survive through many a hectic of headaches and fevers — but the staff has done a remarkably fine job of keeping the student body in good shape.

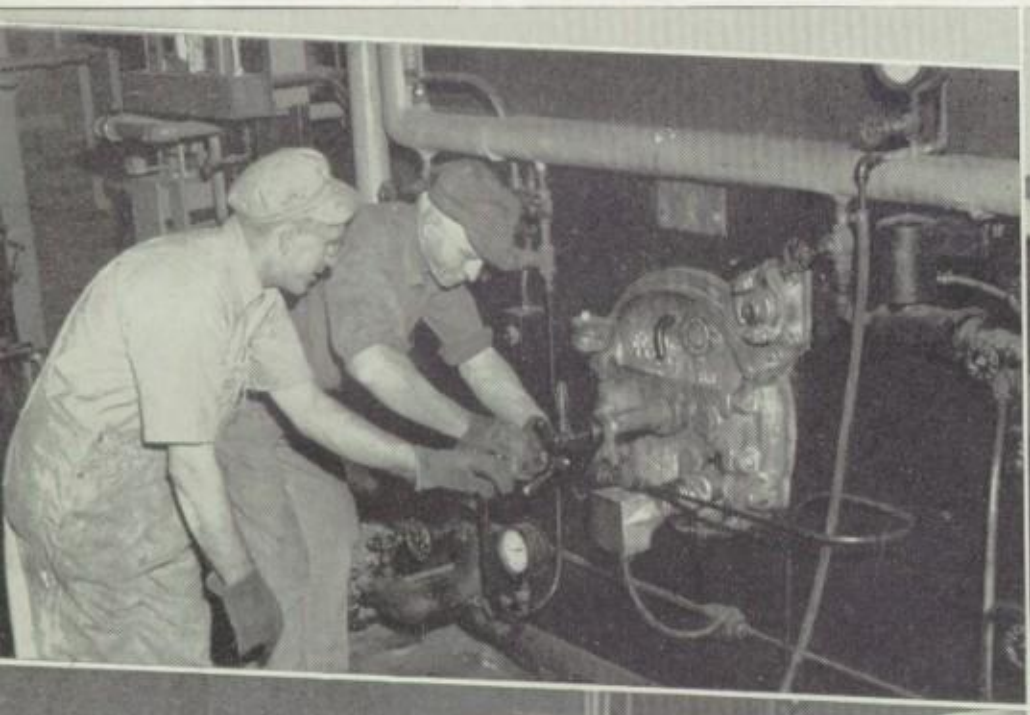
Cafeteria . . .

The first place one hears about when entering Morton is the 'Caf'. It is continually in operation throughout the afternoon, and at one time or another, everyone spends a period or two during the day down there. The staff keeps Morton students well-nourished to meet the rigors of classes. A fine job is being done by all the members of the 'caf staff'.

TOP—Major Operation
BOTTOM—Have a Snack!

TOP—A Bad Headache?
BOTTOM—Sweets for Sale





TOP—Feeding the Furnace
BOTTOM—Planning the Day's Work

TOP—Keeping the Records
BOTTOM—More Office Personnel

Maintenance . . .

Without the men of the Maintenance Dept., headed by Ben Smith, Morton wouldn't be able to run at all; for they provide all the water, heat and light in the building. Though they are small in number, everything mechanical that needs to be fixed is quickly taken care of by this trained staff. We cannot commend them enough for their never-ending efforts to keep everything "ship shape".

Best of luck in Morton.
Don Jurek

Office Staff . . .

In Room 310, the switchboard operators, a really busy group of women, take all the telephone calls, keep the records, and ably handle Morton's secretarial work. Miss Willmot has charge of the office staff and with her help and guidance, they compile the vast amount of data necessary towards the running of such a school as Morton. Nearby, the cashier's office is always handy when one needs a biology or shop fee ticket.

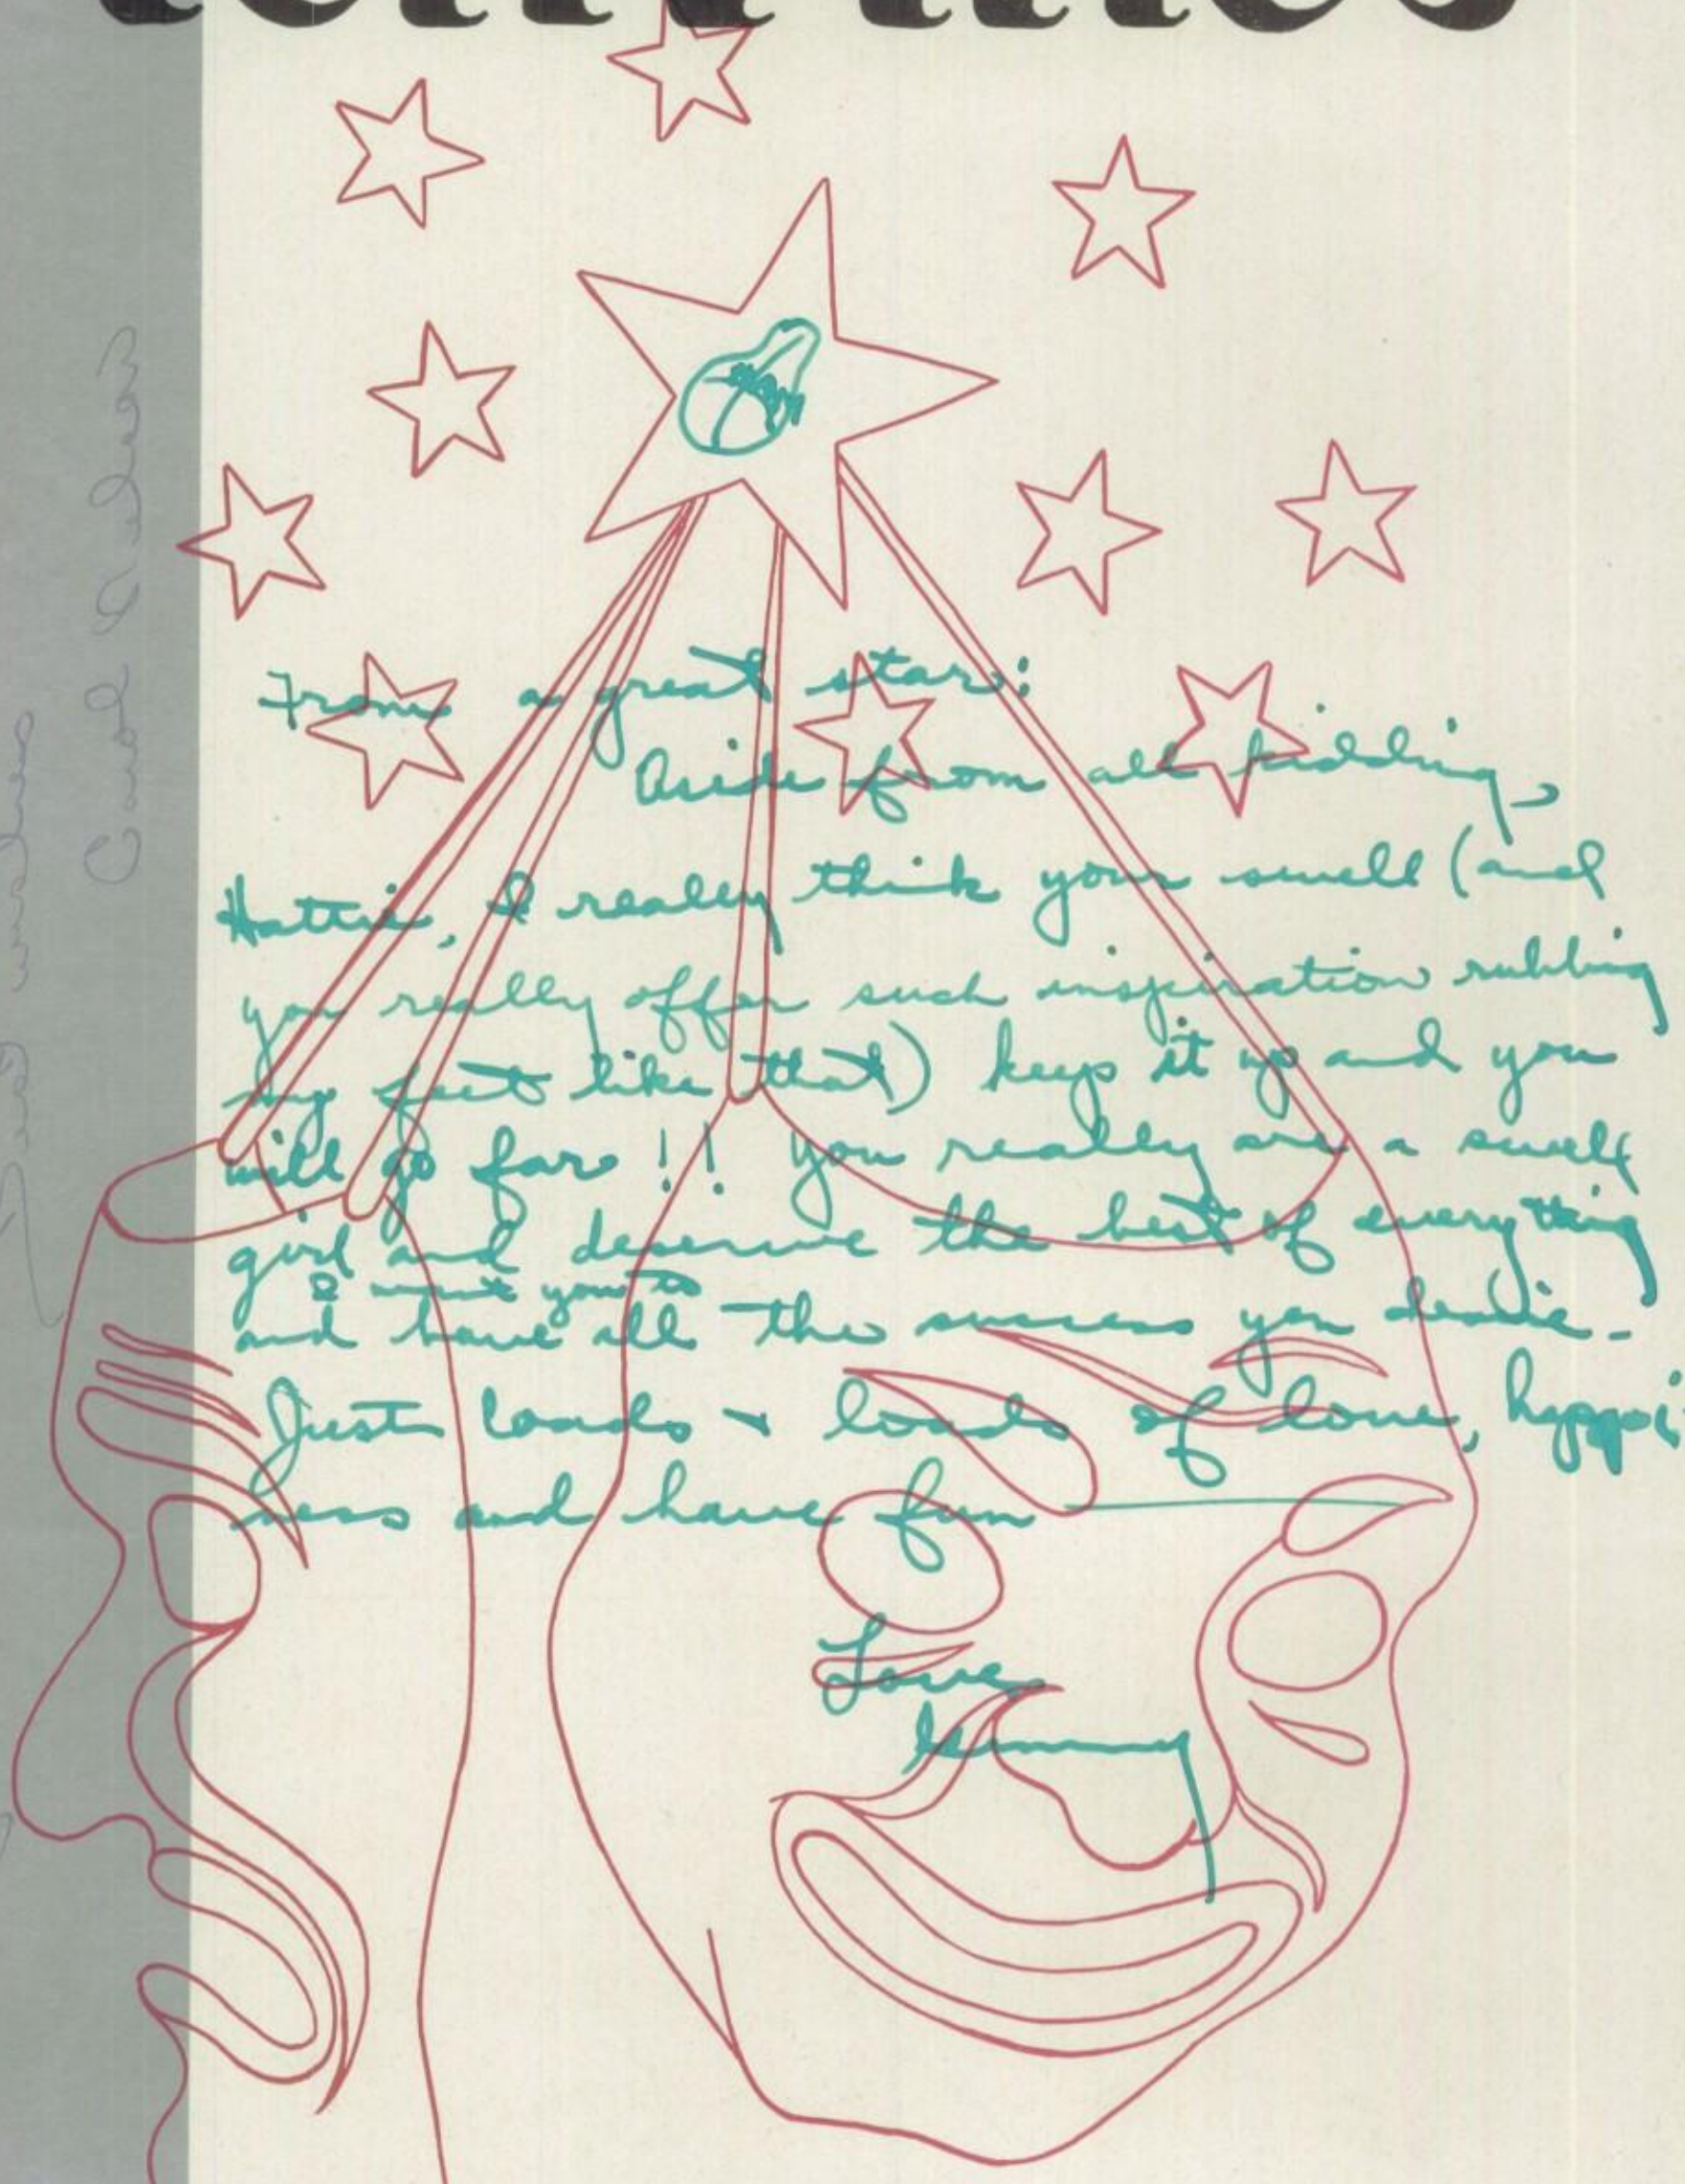
Activities



from a great star:
Aside from all kidding
Hattie, I really think you're swell (and
you really offer such inspiration rubbing
off like that) keep it up and you
will go far!! You really are a swell
girl and deserve the best of everything
and have all the success you deserve -
Just loads - loads of love, happi-
ness and health
Love
Tommy

tattie:
dt's been fun having
you in classes. I hope
I have given you loads more
force and luck.
Marilyn
Monroe

What They Will

Members of the Jr. Sr. Girls Club
. . . and still more members
. . . the end

. . . and more members
I'll take a box, please

JR. SR. GIRLS CLUB . . . "Hurry, hurry, last chance to buy your Morton stationery. This was the familiar cry heard through Morton's halls. In addition to selling their engraved stationery, the Jr. Sr. Girls Club actively participated in other activities beneficial to the school. Sponsorship of the White Elephant Sale, planning of the old clothes drive, maintenance of the Lost and Found department, and the annual Mother and Daughter Banquet are some of the many service projects carried out by this enthusiastic and hard working group of girls. Directing the activities of the club this year were: Joan Bartuska, President; Jean Weiss, Vice-President; Joan Wistain, Secretary; Dolores Hugh, Treasurer; Arlene Boheme, Historian. Miss E. M. Prutsman is the hard working advisor.

They Can

Frosh-Soph clubwomen?
Rows of Frosh-Soph
Frosty with the ribbon girls

Frosh-Soph "stares"
A flower for the veep
Almega assembly line

FROSH-SOPH GIRLS CLUB . . . Roses, 15c; 2 for 25c. These high-pressure saleswomen you see behind the counter are members of the Frosh-Soph Girls Club. Besides sponsoring a fall flower sale, these active members decorated Morton's class rooms during the Holiday Season, prepared Christmas seal tickets for an assembly, and donated favors for hospital shut-ins. Membership is limited to freshmen and sophomore girls only. Officers for the first semester were: Eileen Kellog, President; Christine Russo, Vice-President; Marlene Zakovec, Secretary; Gloria Broz, Treasurer. Mrs. P. G. Reffner is the club advisor.

ALMEGA CLUB . . . Red for seniors, blue for juniors — ribbons that is. Annually the Almega Club sponsor their famous ribbon week which gives a dash of added color to Morton's halls. During their club meetings, this energetic group makes clothing, dolls, and various other articles which are distributed to the needy throughout the community. Membership is open to all Morton girls. Mrs. L. M. Stejskal advised the group the first semester, and Mrs. J. M. Gault, the second.

Morton's Wall Street

So that's where they keep it!
Look, it balances!

ANNUAL tickets, please
Busy little bankers

TICKET OFFICE . . . "Any Freeport tickets left?" "Sorry, sold out ten days ago!" Besides the sale of athletic tickets and social tickets, the Student Ticket Office sponsors buses to away games, and receives deposits for the March of Dimes and Christmas Seal funds. Students are selected by the advisor, Mr. G. B. Reeve, and must have passing grades and a good reputation. The student manager is Don Dickey, and, of course, this is the place where ANNUAL tickets are sold to all you lucky people.

STUDENT BANK . . . No, there is not any giant safe inside, but this familiar corner of the cafe accepts all deposits whether large or small. The Student Bank offers students a safe place to keep their funds for future school functions like ANNUALS, prom bids, class rings, and season tickets. The specially selected students who work in the bank receive a minor credit for a year's service as well as getting a practical foundation in banking and bookkeeping. Mr. A. J. Frattinger is the advisor.

For A Better Tomorrow

The case of knowledge
Iceland Follies in the making

"Teacher" and her class
Bulletin for the business leaders
FBLA BORED?????

FUTURE TEACHERS . . . "An apple for the teacher". That's not the only incentive for joining this club. Membership in this club gives a student practical experience if he intends to enter the educational field, and during meetings the group discusses the opportunities open to members of the teaching profession. Sophomores, juniors, and seniors are eligible to join this chapter of the Future Teachers of America. First semester officers were: Joe Velek, President; Charlene Louky, Vice-President; Sylvia Kostos, Secretary; Arlene Soldat, Treasurer. Mr. V. J. Skubikowski is the club advisor.

FUTURE BUSINESS LEADERS . . . The merchants of tomorrow are being trained right in Morton's halls. Yes, the aim of the Future Business Leaders is to do just that. A chapter of the Future Business Leaders of America, this group works to educate its members in sound business principles. The elected advisory council plans such functions as tours, guest speakers, and participate in the spring state convention. The Iceland Follies, one of the outstanding winter social events, was sponsored by this group. The officers for the council were: Shirley Kubik, President; Henry Landi, Vice-President; Doris Raikes, Secretary; Jean Tistle, Treasurer; Betty Ann Jelinek, Publicity. Mr. W. F. Doak is the advisor.

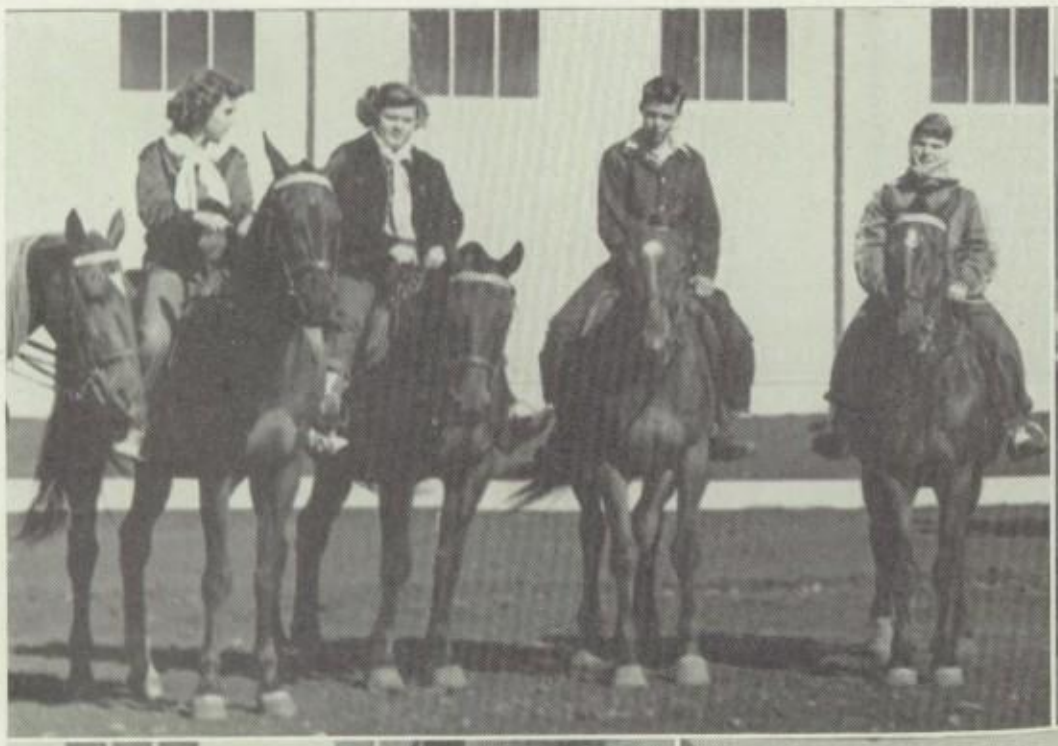
Take Me Back

Give a man a horse (and 4 women)
Smile pretty

Side by side
Saddle sore?

SADDLE CLUB . . . If you long to be back in the saddle again, hitch a ride on the Greentree Stables' bus some Friday afternoon along with the Saddle Club. In addition to this weekly outing, 2 or 4 hour rides are organized on holidays along with parties and hayrides. While the club goes all out for fun, it also promotes interest in riding and skillful horsemanship. There's plenty of help for beginners while the more advanced riders receive instruction in jumping hurdles. Once you're broken in you'll be out at the "stables" every Friday for an afternoon of fun. The officers of the club are: Lila Fertik, President; Ronald Patton, Vice-President; Edward LaPlante, Secretary; Barbara Kohout, Treasurer. Mr. L. C. E. Prucha is the club advisor.

To My Boots and Saddle



What are we waiting for?
Come on, Sunshine

Let's hit the trail!
Who's missin'?

BIT 'N BRIDLE . . . If you're a city bred Hopalong Cassidy and long for the wide open spaces, join up with the Bit 'n Bridle Club, pardner; in short, learn to ride! This club is open to all who are interested in promoting good horsemanship and sportsmanship. All members may participate in the many outings on the trail, as well as display their skill in horse shows. Directing the activities of the club such as: hayrides, junior equestrian preliminaries; colorful horse shows, barn dances, and evening parties, were: Dale Kronquist, President; Bonnie Kronquist, Vice-President; Dolores Mellish, Secretary; Rosemary Malek, Treasurer. Advising the group this year is Miss E. G. Endriz.

The Stamp of a Good Writer

These stamps came from here
What's so interesting . . . stamps?
Proof reading?

Stamp of approval
Experts with the albums
Manuscripts in the making

STAMP CLUB . . . "A Swiss stamp is just what I need to complete this page of my album," might well be the words of a conscientious Stamp Club member. The main objective of the club is to promote and maintain interest in stamp collecting and to enable the members to sell, buy, trade, or talk about stamps with one another. The only eligibility rule is that all members be interested in stamps and stamp collecting. Directing the activities of the club along with the advisor, Mr. I. C. Ullrey, the first semester were: James Anderson, President; Richard Capek, Vice-President; Nick Robal, Secretary-Treasurer.

WRITERS CLUB . . . "How does this sound?" is a familiar expression continually heard by members of the Morton Writers Club. This club gives the members an opportunity to read their compositions to one another and to develop a critical mind. Trying to bring forth hidden talent among the students was Miss M. A. Diez, the advisor.

Followers of the Cross

Members of Hi C
Leading members
Red Cross report

and more members
and still more members
and . . . members of Red Cross

HI C . . . Members of the Hi C Club at Morton have religious and spiritual interest and by means of group study, interpretation, and discussion learn more about the Bible and religion. Members may earn points through attendance, quizzes, daily Bible readings, and participation in the many activities which this club undertakes, which enable them to wear the Hi C shield. Miss N. M. Hadraba is the advisor of this religious organization and first semester officers were: Jim Janes, President; Bill Vanicek, Vice-President; John Bos, Secretary; Betty Beranek, Treasurer.

JR. RED CROSS . . . "This box needs another bar of soap and a toothbrush," are familiar words of an enthusiastic Red Cross worker as he carefully checks the boxes which are to be sent overseas. Besides sponsoring the annual Red Cross Drive here at Morton, the members fill boxes which are sent to the needy people in foreign countries, send Christmas gifts to the veterans at Hines Hospital, sponsor the Easter Seal Drive, and either furnish some needy boy and girl with a complete Easter outfit or send money to unfortunate families in the Chicago area. The Jr. Red Cross, which undertakes all activities of the National Red Cross, only on a smaller scale, consists of delegates from each home room and is under the capable supervision of Mrs. A. M. Smenos. The officers for the year were: Norbert Kmieciak, President; Norman Kotalik, Vice-President; Lee Danek, Secretary; Ed Pecen, Treasurer.

Formula for Success

They'll prove it yet!
Sound off
Easy on the H_2O

Huh????
Alpha, Beta, Gamma rays
Future Chemists?????

MATH CLUB . . . Problem: "Construct a circle(s) passing through two given points and tangent to a given line." Solution: Huh??? Most of us couldn't figure that one out, but any member of the Math Club can. During the club meetings members increase their knowledge of various types of mathematics through discussion. The purpose of the club is to provide additional opportunities for promising and superior math students who have completed a year of mathematics. Officers for the first semester were: Dick Michalec, President; Ronald Turner, Vice-President; Joe Velek, Secretary; Bob Kluk, Treasurer. Mr. W. J. Cherry is the advisor.

PHYSICS CLUB . . . Students who are interested in doing further work in physics find that the Physics Club offers them not only guidance and encouragement, but the opportunity to conduct various interesting tests and experiments. One of the most important activities of the club is the preparation of projects and exhibits which are entered in the spring meeting of the Junior Academy of Science. Officers for the first semester were: Malcolm Holec, President; Henry Landi, Vice-President; William Black, Secretary; Sherman Porter, Treasurer. Mr. L. W. Johnson is the advisor.

CHEMISTRY CLUB . . . Look-out! Shut off the gas! It's H_2S! The purpose of the club is to cultivate an interest in chemistry, and to encourage scientific thinking. Besides viewing demonstrations during their club meetings, members make trips to many chemical plants and other scientific places and work on various "chem" projects. Officers for the first semester were: Jan Jicka, President; Sherman Porter, Vice-President; Malcolm Holec, Secretary; Dan Angelus, Treasurer. The club is under the cautious direction of Mr. G. S. Porter.

Thru the Air Waves

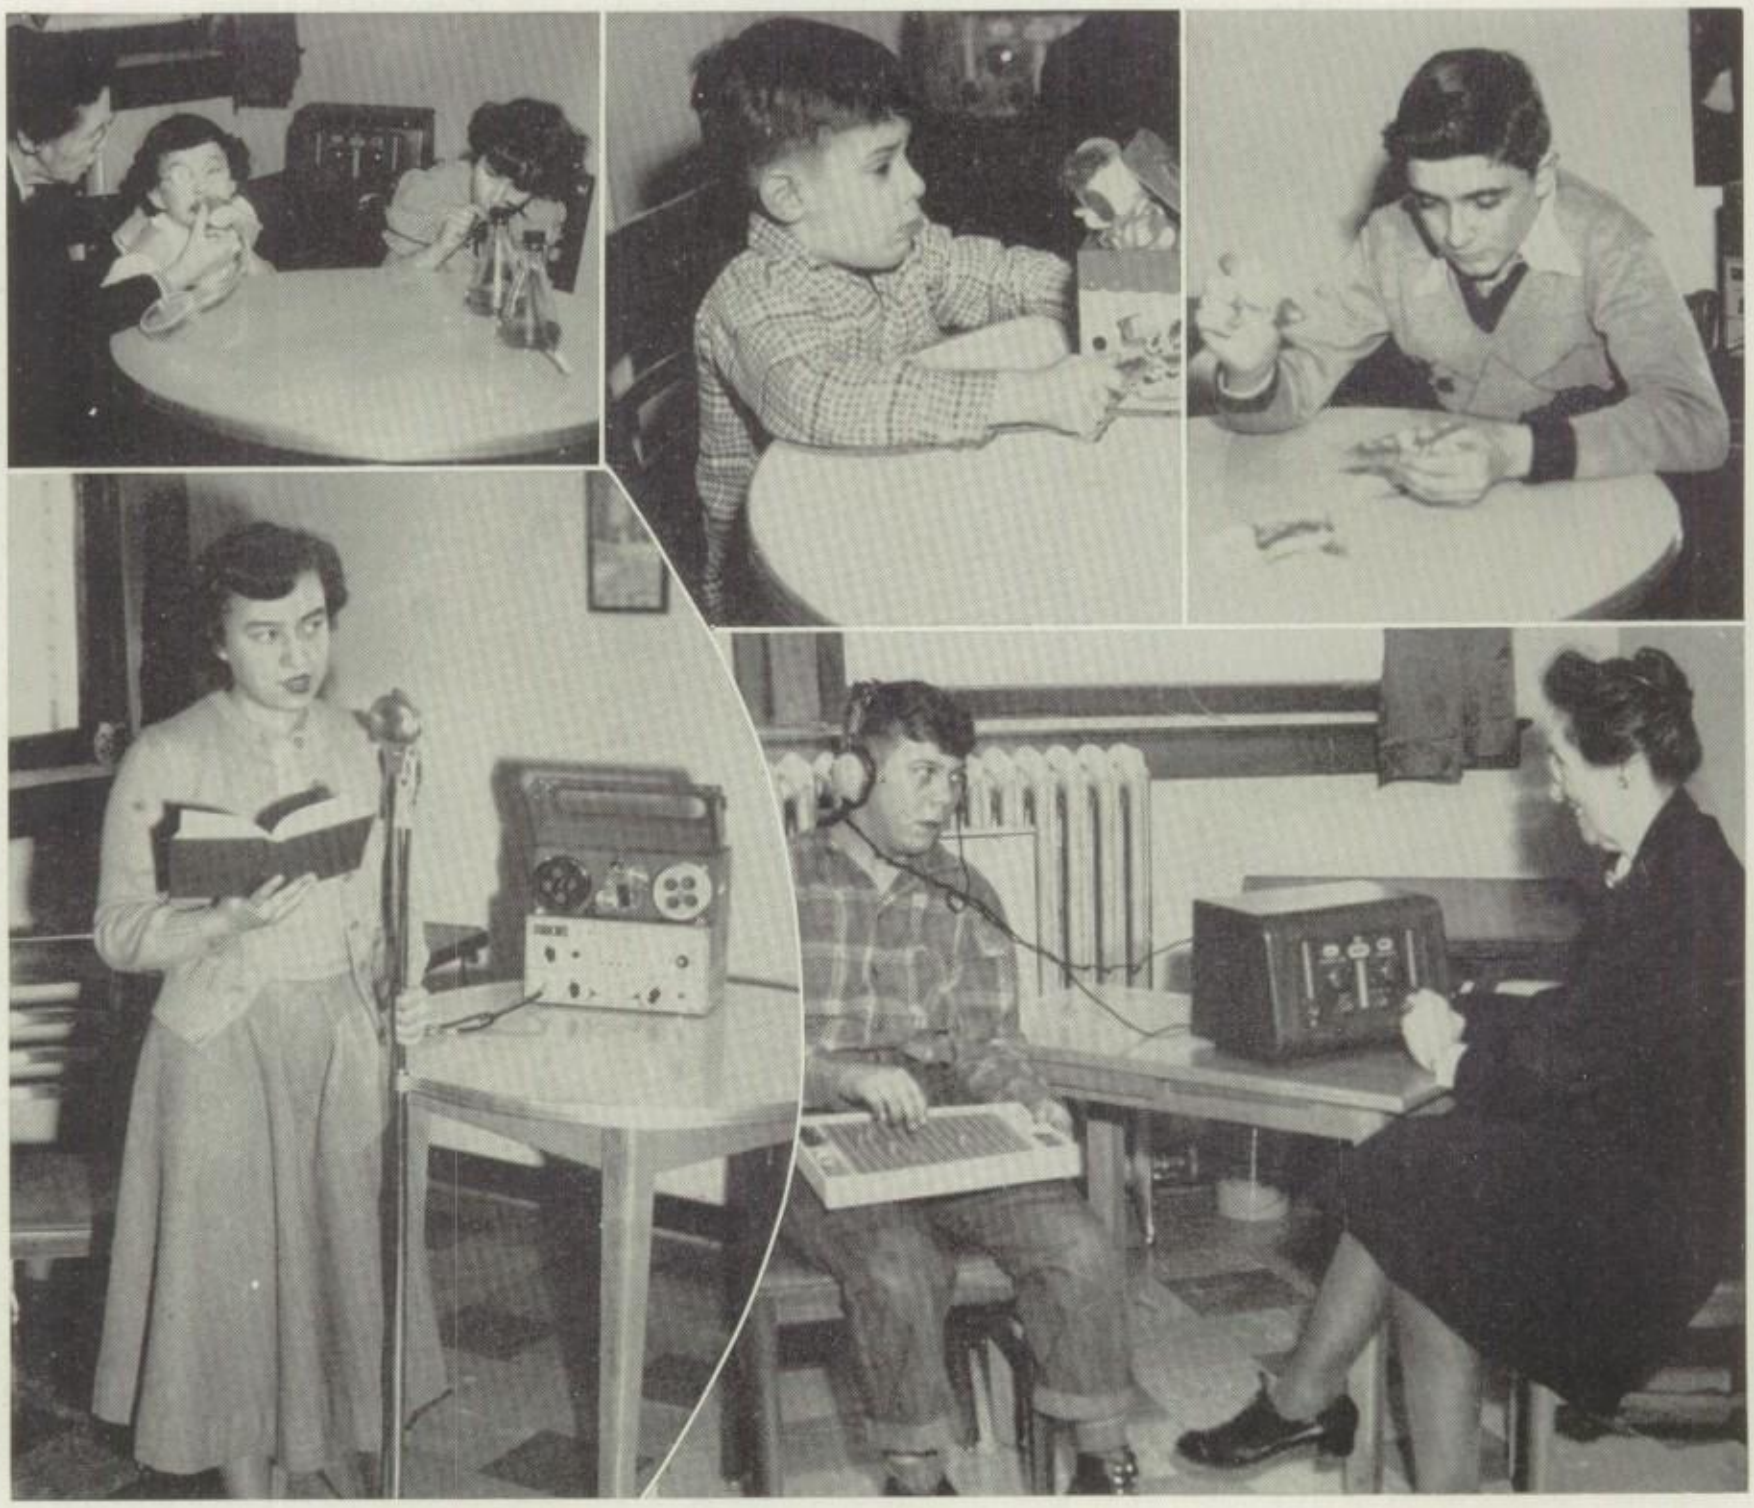
Complicated, isn't it?
Where's the picture?
Pint size Piper Cub

Look! TV!
With a tail wind . . .

ELECTRONICS CLUB . . . Interested in learning more about electricity or why electrons flow? If you are, the Electronics Club is where you belong. The purpose of the Electronics Club is to increase and spread knowledge concerning the theory and practice of electronics. All necessary equipment is available to those students who wish to work with electrical gadgets or work on electrical projects. Some of the most interesting as well as intricate projects were the shop-made TV sets. Yes, they really work . . . even Dagmar comes in clearly. So, future engineers and electricians, if you like this kind of work and don't mind shocks of around 5000 volts, plan to join this interesting and helpful club. Officers for the first semester were: Jack Kenny, President; Chuck Andrle, Vice-President; Harvey Karpiel, Secretary; Fred Jevaney, Treasurer. Mr. G. H. Lyle is the club advisor.

AERO CLUB . . . "Look, it flies", cries a satisfied member of the Aero Club as he gives the final test to the model which he has so patiently worked on during the semester. If you are interested in model planes, air power, and discussing the many types of models, the Aero Club is where you belong. Although members do not work on models during club meetings, they are encouraged to build models at home and are helped with any problems or complications which arise during the process of completing a plane by Mr. A. M. Clem, their loyal advisor. The trial period during the first solo flight is of great concern to all members since it reveals the success of failure of the model plane. Officers for the first semester were: Fred Lorenz, President; Bob Gasper, Vice-President; Jerry Luker, Secretary; Robert Markowski, Treasurer.

Voice of America



Billy exercises his tongue and the jack-in-the-box
Speech Aide for breath control
Wire recorder "talks back"
Speech correction in the cards
Ray and the Peggity Board take a hearing test

SPEECH CORRECTION . . . Morton's Speech Re-Education program now in its twentieth year became a part of the Illinois plan for special education of the Exceptional Children, in the year 1948. Although the term "the Exceptional Child" covers six groups of educable children, those who are handicapped with defective speech are by far the most numerous. Morton is one of the ten high schools in Illinois which employ full time speech correctionists. Miss Berry competently corrects such abnormal conditions as phonatory or voice defects, stuttering, and delayed speech by individual attention. The correction of a speech problem requires the following procedure: the student must be made aware of his problem; he must hear, feel, and see the correct procedure; he must be made to want to change; he must be taught how to make the sounds and experience success. Morton can well be proud of this fine department which contributes greatly to the rapid development of the speech program in Illinois.

The Next Voice You Hear...

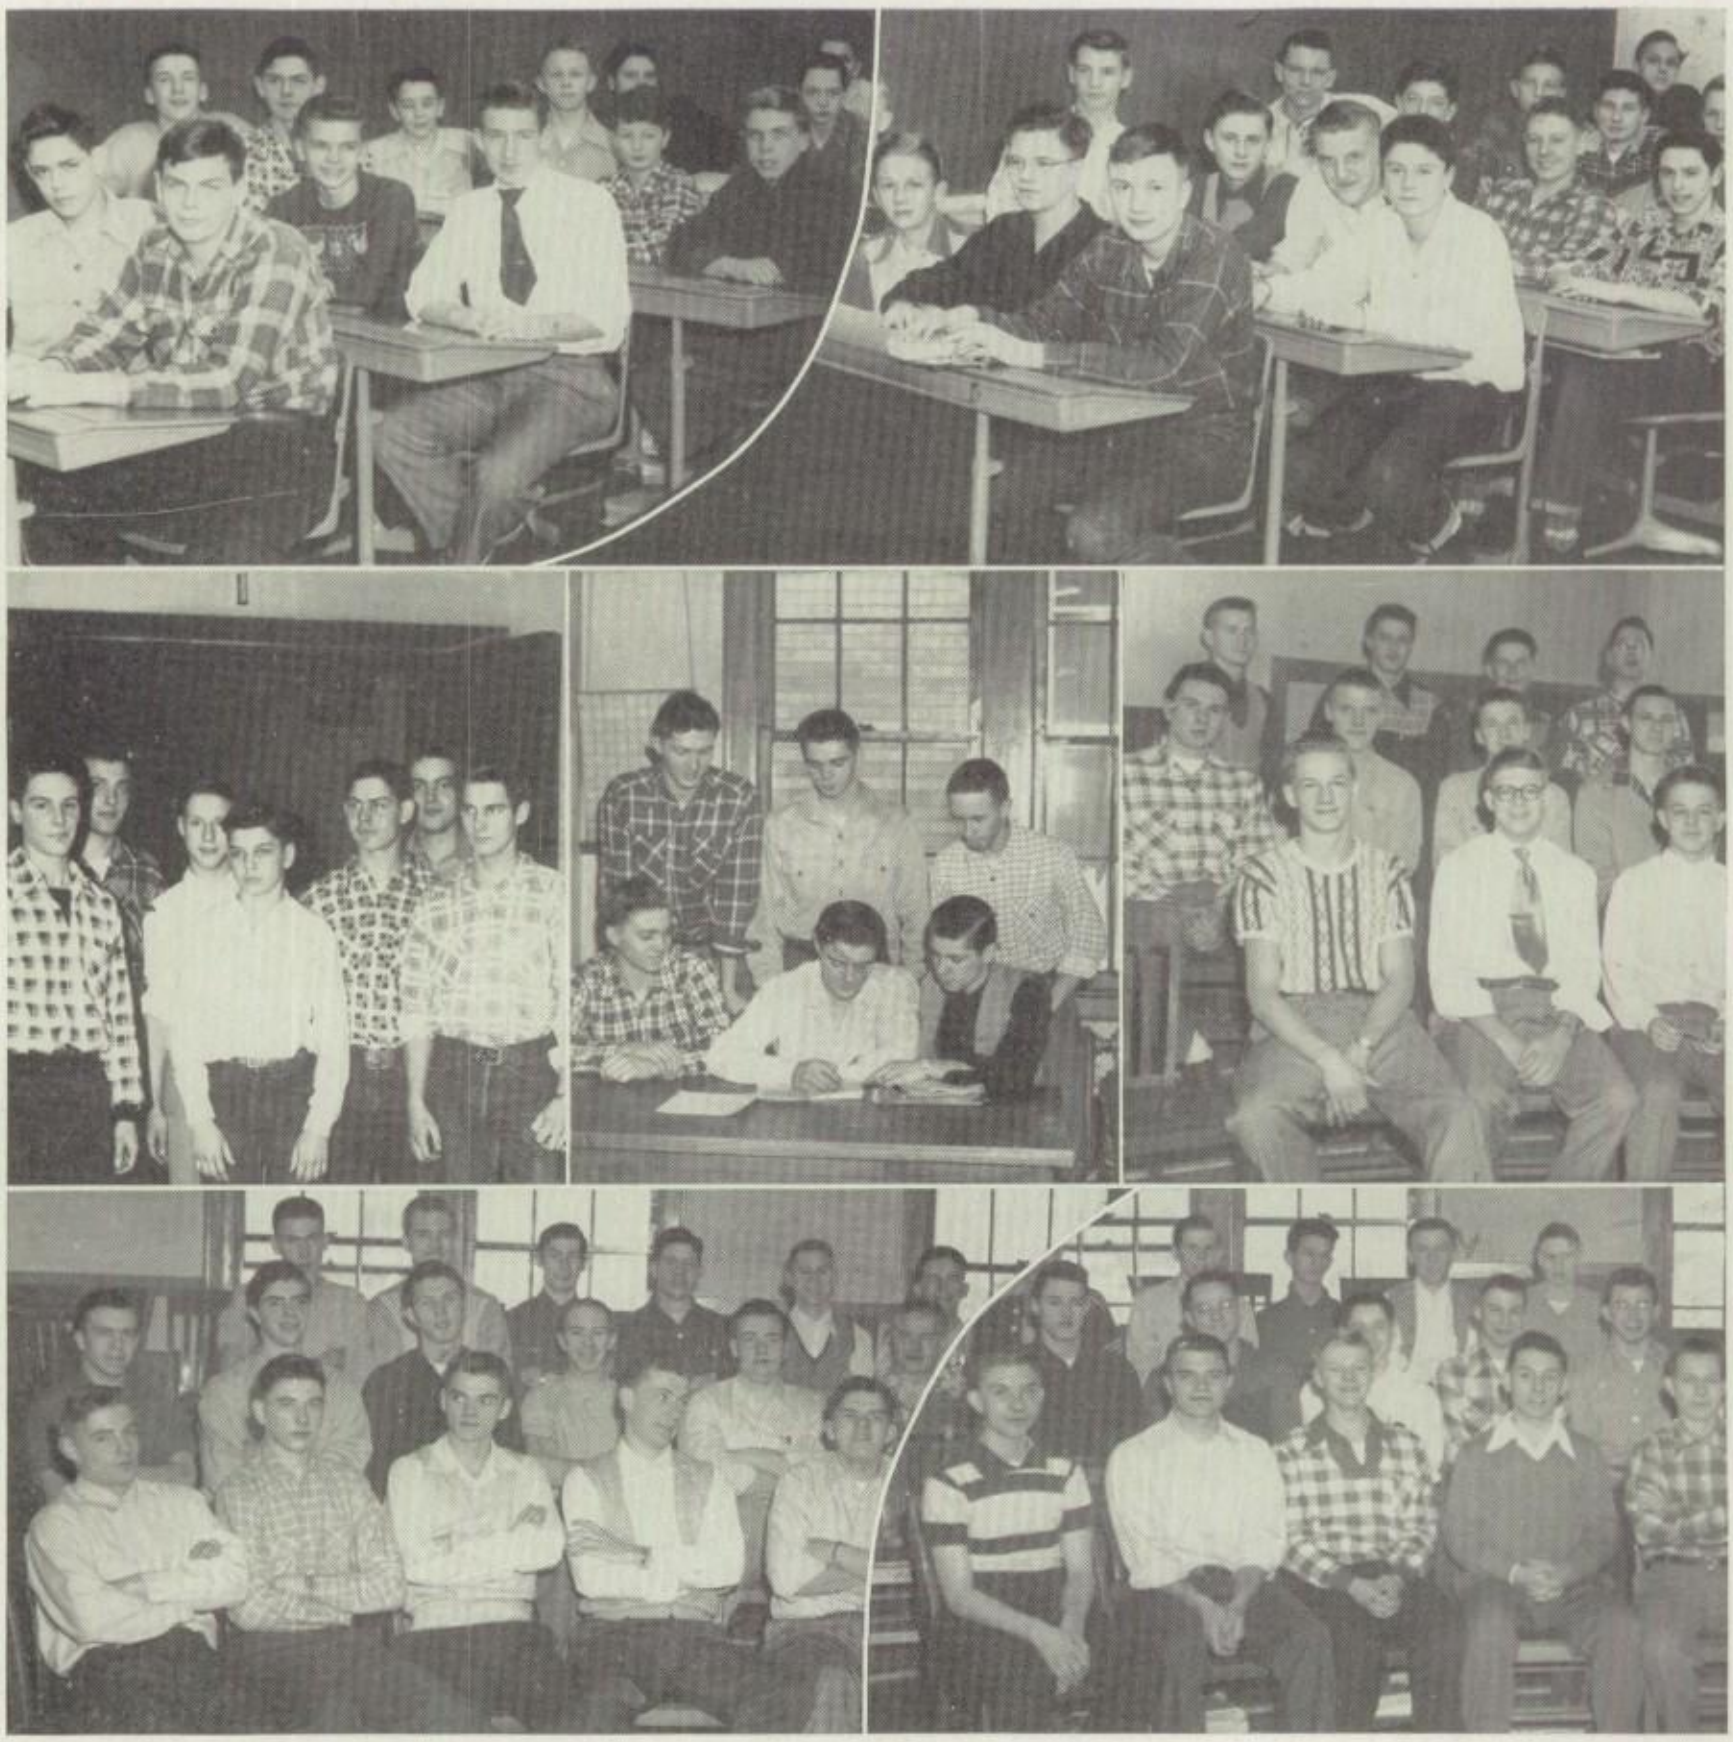
A point for the affirmative
You're on the air
Scene in the sound booth

Directions for successful debating
"Moments with Morton" begins

DEBATE CLUB . . . The Debate Club gives students who are interested in discussing the different sides of a particular question an opportunity to bring forth their viewpoints and to develop clear and logical thinking. The debate team has verbal battles among members and also participates in inter-scholastic meets. Any student who has a good scholastic record and is interested in debating is eligible for membership in the club. Officers for the first semester were: Winfield Hall, President; Bill Roeder, Vice-President; Rosemarie Mandl, Secretary; Jennis Bapst, Treasurer. Mr. W. J. Cherry is the patient advisor.

RADIO CLUB . . . "5, 4, 3, 2, 1,—you're on." Such is the cry heard every afternoon at 4:30 when Moments with Morton begins. Every day Monday thru Friday members of the Radio Guild broadcast this fine program which deals with school activities, talent, and studies. Members through actual practice, training and discussion learn much regarding the field of radio broadcasting, and under the guidance of "Pop" Green, announce, write, and adapt scripts, give dramatic readings, recite poems, give interviews on the air, and learn how to operate turntables. Membership is open to any student who has an 82½ or better average and is interested in radio work. Officers for the first semester were: Ken Murr, President; Ronald Harley, Vice-President; Darlene Baker, Secretary; Nancy Brychta, Treasurer.

Morton's "Minute Men"



Juniors lend a helping hand
P.M. ushers
Senior service

Senior Council's hardworking leaders

Council of juniors
Seniors that serve?
More of them, yet!

JR. COUNCIL . . . When you attend an afternoon assembly and begin to wonder who's keeping law and order, look around and you'll see the members of the Jr. Council hard at work. In addition to ushering at these assemblies, the Jr. Council works closely with the Senior Council and serves at the banquets held at Morton, and helps plan the annual Father-and-Son Banquet. The council is affiliated with the National Hi-Y organization and has its own home room with G. M. Larimer as the advisor. Membership is restricted to Frosh-Soph boys. Presidents for the year were: Glenn Slanec, first semester; Earl Oak, second semester.

SENIOR COUNCIL . . . "Less noise over here, please." These are often the words heard by students during the morning assemblies when a conscientious Senior Council member is on the job. The many duties of the council members include sponsorship of the annual Father-and-Son Banquet, ushering at all assemblies, Baccalaureate, Graduation, open house, Community Chest Show, and serving at all banquets. Besides being either a junior or senior, prospective members must be nominated by club members, and because membership is limited to 60, members are chosen from a waiting list. Presidents for the year were: Ed Makovsky, first semester, and Dave Roberts, second semester. Mr. H. L. Meeker is the advisor.

No Strings Attached

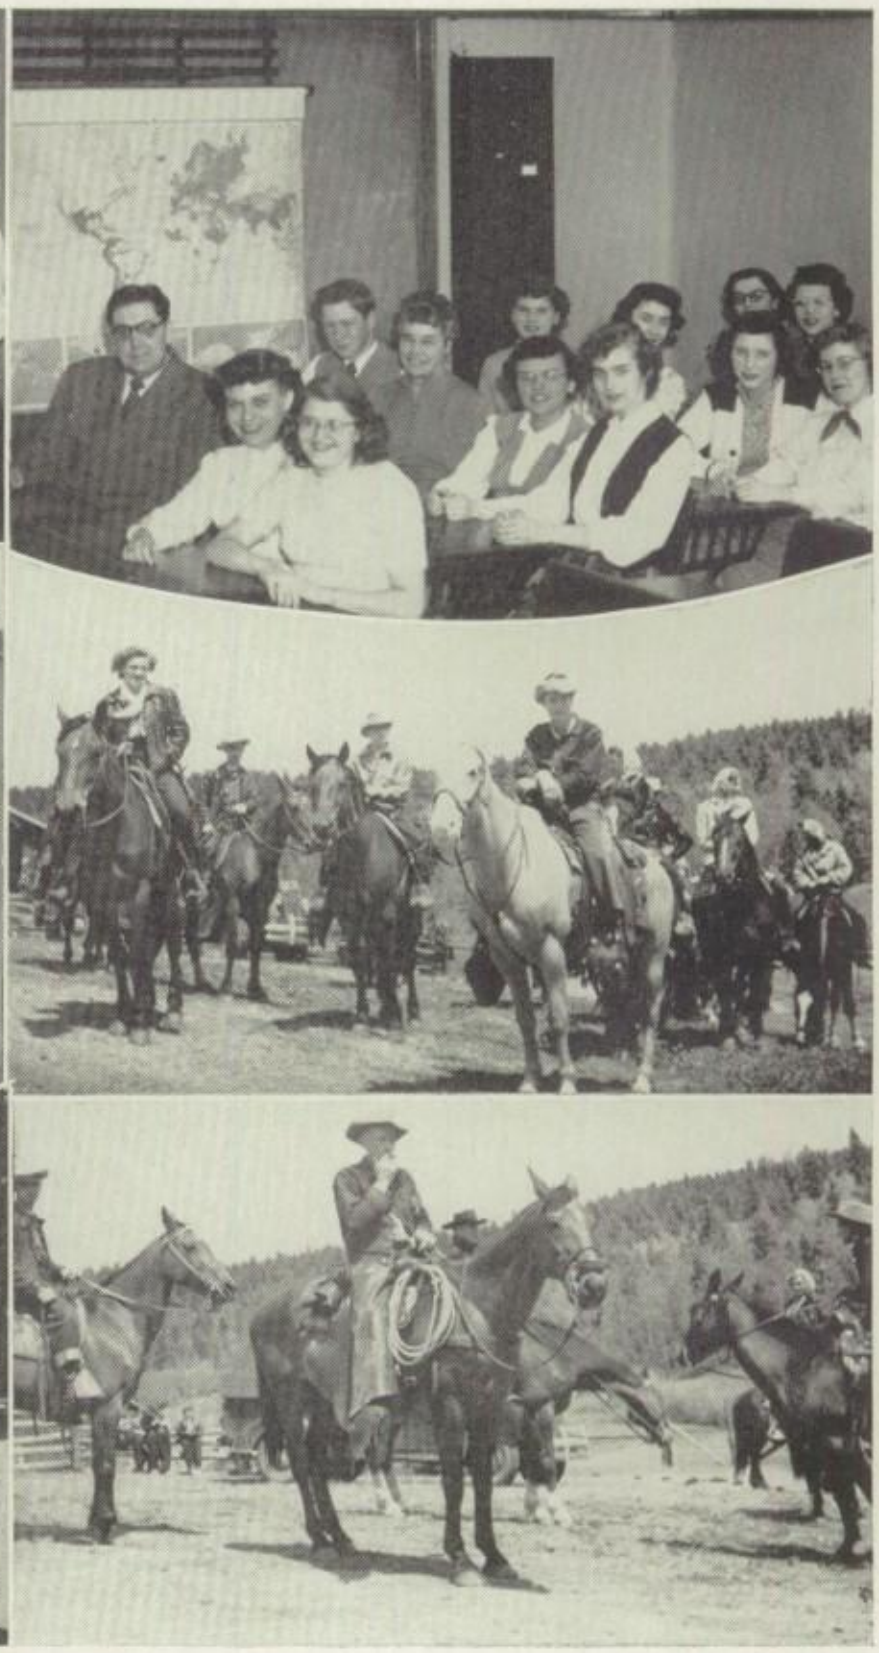
Pogo or Picasso?
Ties that bind

That's art?????
Puppeteers in action

CARTOON . . . Do you enjoy drawing funny, entertaining figures which amuse fellow students and friends? If you do, why not attend the weekly meetings of the Cartoon Club and under the expert guidance of Miss C. Stevenson, enlarge your knowledge of this fascinating branch of commercial art. Membership is open to all students who are interested in drawing cartoons; an art course is not required. Various types of cartoons are discussed and analyzed by club members, and an enjoyable time is had by all. Who knows, some day one of these members will be drawing for your favorite comic book or newspaper strip. Officers for the first semester were: Patricia Connors, Secretary; Judith Kossian, Treasurer.

MARIONETTE . . . Some P.M. G.A. if you happen to be passing by the Art Department and notice unusually painted and beautifully dressed dolls on strings, immediately you will realize that the Marionette Club is having another very enjoyable and fascinating meeting. Marionette Club members experiment with the construction of these fascinating dolls and the problems involved in staging a marionette production. All productions are arranged and created by the members themselves, and scenery and marionettes are made during the club meetings under the supervision of Miss L. Tarachas. Officers for the first semester were: Jack Zalke, President; Joan Heberlein, Vice-President; Jerrianne Veysada, Secretary-Treasurer.

Far Away Places



Geographically speaking
They've got that travel urge
Plans for Colorado

Socially minded students
They came a long way from . . . Cicero
He rolls his own, Colorado style

SOCIAL STUDIES CLUB . . . "Don't forget the trip to the museum Saturday", could well be the words of the president of this club reminding the members of the important activity for the month. Members of the Social Studies Club gain further knowledge in this field through lectures, interesting discussions, and trips which are planned for their entertainment and enjoyment. Anyone recommended by a social science teacher or who has an average of 85 or better is eligible to become a member of this club in which social experiences and department services and enjoyed by all. Officers for the first semester were: Joanne Masi, President; Vern Jarette, Vice-President; Sandy Atkinson, Secretary-Treasurer. Miss E. O. Carlson is the advisor.

TRAVEL CLUB . . . "Sign up now for the Colorado Trip and loads of fun." The most important function of the Travel Club is the sponsorship of the annual trip to Colorado shortly after school is out. Much fun, entertainment, and interesting experiences are had by all who go on this wonderful trip, and recollection of pleasant memories and experiences are the main topic of discussion at the first few fall meetings of the club. Although members are busy planning for this trip all during the year, they seem also to find time to travel and see new places and sponsor other trips throughout the school year to all Morton students. Officers for the first semester were: Lido Scardigli, President; Robert Rektorski, Vice-President; Arlene Behouvek, Secretary; Dan Zicha, Treasurer. Mr. L. C. E. Prucha is the advisor.

Where the Worm Turns

They've got biology on the brain
It needs a little more Vigoro
Prize garden

Biology club and friend
Look what's in our garden!

BIOLOGY CLUB . . . Are you interested in dissecting crabs, mounting butterflies, or making slides which are studied under the microscope? If you are then join up with Morton's Biology Club. The purpose of this club is to increase one's knowledge in plant and animal life, make microscopic slides and other equipment used in the laboratory, and to enter exhibits for the Junior Academy of Science. Any freshmen, sophomore, junior, or senior interested in biology is eligible to join this club. Officers for the first semester were: Delores Pavelchik, President; Robert Shoop, Vice-President; Ronald Pancner, Secretary-Treasurer. Miss M. Parizak is the advisor.

GARDEN CLUB . . . Do you enjoy working in the good, rich soil, weeding and spraying those insect pests, and watching various plants grow day by day? If you do, then Morton's Garden Club is the haven for you. These busy gardeners study the many plants found in the Chicago area, tend the plot of ground adjacent to Morton's athletic field, and exchange and express views on gardening, landscaping, and production of new plants through cross-breeding. The Garden Club is associated with the Illinois Junior State Academy of Science and each year members enter interesting projects which usually win high esteem downstate. Officers for the first semester were: Georgianna Sebasta, President; Joyce Marchek, Vice-President; George Kobzik, Secretary; Karl Knorps, Treasurer. Miss E. E. Barkley is the advisor.

Builders of Tomorrow

Train 'em right
Craftsmen in action

Choo, Choo, Choo, to . . .
Mystery of pattern making

MODEL RAILROAD . . . "All . . . aboard!" is the call to arms for every true Model Railroader. This group is comprised of boys interested in the modern railway industry. Sponsored by Mr. G. L. Royce, the group attends lectures, views movies, and organizes tours in order to learn more about rail transportation. During the meetings group discussion of every aspect of the railroads sets a lively pace. Among the members, the club has a fine collection of handmade scale models which represent nearly every type of train. The first semester officers were: President, Ed Sirovy; Secretary-Treasurer Bruce Hilk.

FUTURE CRAFTSMEN . . . Hand lathes, drill presses, circular saws, and other such intricate equipment might mystify the multitude, but to the Future Craftsmen, it's all old stuff. The membership of this group is composed entirely of shop boys who have been able to meet the club standards. All members have some particular skill which they are interested in developing with Mr. P. R. Rohe's expert guidance. During the many meetings, articles that find use in the home or school are constructed. The Future Craftsmen strive for the high ideals of quality in workmanship, pride in craftsmanship, and respect of work well done. The president of the group is Jack Kenny.

Water Boys

Anglers with their catch
Queen Mary in miniature
A sailing we will go
It's a fishey story
This is the way we make our boat
Advice from an old-salt

ANGLERS . . . "It was that . . . long, honest!" Fishermen all, the Anglers learn better fishing technique under the guidance of Mr. E. W. Brakken. During meetings they are instructed in the use of artificial plugs and flies. In the summer they journey to northern Wisconsin where some of these wet wildlifers catch the actual proof of future "fish" stories. Many club trophies are proudly displayed; won by participation in the Great Lakes Casting tourney and other fishing contests. The first semester officers were: President, Raymond Cramer; Vice-President, Harry Hovorka; Secretary, George Dugovic; Treasurer, Edwin Eberhardt.

RANGER BOAT CLUB . . . Everything's shipshape out in back of 109. The life preservers, ship's ladder, and work tables littered with every type of model boat give evidence that the Ranger Boat Club is harbored here. The members acquire knowledge and practical experience by constructing actual boats as well as finely detailed scale models. Outings are held in the summer months in the boats built throughout the school year. Under the sponsorship of Mr. Silhan, an interesting hobby or a future career is offered to any member. The first semester officers: First Mate, George Fanta; Second Mate, John Apida; Bos'n, George Voelz; Yoeman, Don Voelz; Bos'n Mate, George Feiffer.

Competition for Phonovision

What is it?
See this lens . . .?

Hands that guide
Be sure and wind it up

MOVIE MAKERS . . . "Hollywood in your own backyard." Yes, those boys you see around 202 every Wednesday are experienced movie makers. Under the direction of Mr. B. Mikula, the members learn the highly skilled art of taking successful movies. During the course of a semester, the Movie Makers practice making film strips and film slides in preparation for the actual taking of motion pictures. Their most ambitious project is the filming of outstanding sports events such as football or basketball games. Many of us have enjoyed their work during the semester. Color films of the Washington trip and the annual Swim Show are shown to clubs and other school social groups for entertainment. As the school year draws to a close, the boys review with pride their many projects of the past. Good experience as well as true enjoyment is the result of membership in this club.

Smooth Operators, These Boys

Smooth operators *Why so glum?* *Looks easy, but it's an art*
Lights, Camera, Action! *More operators*
Operator, please focus
Checking out *Visual aids' library*

MOVIE OPERATORS . . . "Operator, please focus the camera." We often hear this at assemblies, yet few of us really think about the fellow behind the projector. Any Morton boy is eligible to join this organization. As members they acquire skill in operating the various types of audio-visual equipment in Morton's fine Visual Education Department. After two semesters of service an operator receives one-half of a unit credit in recognition of his services rendered during his free periods. Mr. B. Mikula advises the group.

Oui Oui, What's Cooking?

French club agenda
Parlez-vous Francais?

Mm' looks good!
Raiding the ice-box?

FRENCH CLUB . . . "Oui, c'est Le Cercle Francais" . . . Yes, it's the French Club. Open to all students of French, this group acquaints its members with the art, literature, history, customs, and traditions of France. The club's outstanding social event of the school year was their banquet held at one of the famous French restaurants in Chicago, Le Petite Gourmet. Annually, at Christmastime, the members donate food and other necessities to aid the needy of France. Mrs. M. J. Blair advises. The first semester officers included: President, Lillian Vesely; Vice-President, Beverly Brouk; Secretary, Eileen Bartlett; Treasurer, Querida Mongrieg.

HOME ECONOMICS CLUB . . . "Better homemakers make better homes." That's the motto of the industrious members of the Home Ec. Club. Any Morton girl taking three semesters of Home Ec. is eligible for membership. The club, under the direction of Miss D. A. Timm, encourages the building of better homes thru applied home economics. The girls' active participation in sales, conventions, and charity projects results in an enviable service record for the club. First semester officers were: President, Darlene Jelinek; Vice-President, Jeanne Johncock; Secretaries, Carol Habely, Lorraine Jicha, Diane Crouse; Treasurer, Darlene Affeldt; Historian, Judy Renol.

Hail the "Homeland"

If you speak Bohemian why not . . .
Upsy Daisy

Czechs, one and all
Folk-dancing in fine form

CZECH AND FOLK-DANCING . . . "Jak se mas?" . . . Any good Mortonite, Bohemian or otherwise, knows that one. These phrases which echo through Morton's halls every day are a serious subject to the members of the Czech Club. Advised by Miss E. Jahelka, the group learns the traditions, customs, and mannerisms of the "motherland". Folk-Dancing, taught by Miss Jahelka, and accompanied by Mrs. West at the piano, is one of the most important activities of the club. Although they dance only for pleasure, the skill of the dancers has been proven many times at open-houses and assemblies. During meetings motion pictures, lectures, student reports, and demonstrations of Folk-Dancing are presented to the members. Officers for the first semester were: President, Libby Pikart; Vice-President, Elaine Sholta; Secretary, Audry Herodes; and Treasurer, Carol Spies.

Roll 'Er Bowl

Let 'er roll
These gals are really on the ball
All set for the rink

Terror of the tenpins
Watch that backswing
Big wheels in the roller club

BOWLING . . . These Morton bowlers are really on the ball as everyone can see each Saturday at the "alley". The Bowling Club has four leagues; three boys' and one girls', which are known as the Major, Classic, and Junior Leagues. Practice sessions are held weekly at the Euclid Recreation alleys and at those of the National Recreation Center. Besides learning the general a b c's of bowling, the members are instructed in the technique of league and tournament bowling and bowling etiquette. Trophies are rewarded at the end of tournaments by Mr. A. P. Kovanic, the club advisor. First semester officers: President, Harry Stransky; Vice-President, Jack Hagen.

ROLLER . . . "Wheels a'rolling." . . . It's the Roller Club in action down at the "rink". If you're one of those who wish they could do more than just straight skating . . . join up! The club is open to all students, but is limited to 150 members. Membership enables you to learn new roller-skating skills and have a swell time as well. Parties are held frequently which enable members to become acquainted more quickly. Mr. A. P. Kovanic advises this active group. The first semester officers were: President, Frank Vakurka; Vice-President, Les Evans; Secretary, Marilyn Molbeck; Treasurer, Joyce Norak.

A Young Man's Fancy

Anything for kicks
Our aqua experts
Splash!

Some (ballet) legs!
A helping hand

SWIM CLUB . . . In spring the thoughts of any Swim Club member turn to . . . the Swim Show! It's the hard work of these talented girls and boys, under the capable direction of Miss R. E. Berman, which results in the finished water ballet production that we all enjoy. This season the aqua artists portrayed the story of a young romance which blossoms in the Springtime and progresses thru the year against a background of such seasonal selections as "Summertime," "September Song," and "Winter Wonderland." The finale finds the happy couple reconciled to the strains of "For Me and My Gal." The Swim Show is one of the most important events on the school calendar and is carried off with almost professional perfection which requires a great deal of skill on the part of the performers. September tryouts are held in which prospective members are judged on the quality of performance of the various strokes and such skills as diving, skulling, and underwater swimming. It's not all work though. An annual outing at the "Dunes" is held in celebration of the successful swim show. The first semester officers were: President, Peter Hanen; Vice-President, Mary Joy Vachta; Secretary, Marie Krebich; Treasurer, Don Bozis.

Yea, Team!

Business is booming
Service plus glamour, too

Booster mob scene
A boost for the team
What's so funny, Mr. Kohout?
Busy Booster "bees"

BOOSTER CLUB . . . If you're an enthusiastic sports supporter, there's a place for you in the Booster Club! During the football season the "Booster Bees" support the team by selling Morton pennants, stickers, and pins. When basketball time comes 'round, the Booster refreshment counter operated in the foyer during the quarters is a welcome diversion for many a hungry rooter. As a service club, the Boosters are always ready and willing to lend a helping hand to any other school organization. After a year's service, pins are awarded to these hard-working Mortonites. The club tops off its school year by sponsoring the annual Sports Banquet which is given in honor of the graduating athletes. The co-operative advisor is Mr. J. Kohout. The first semester officers were: President, Lola Hammond; Vice-President, Janice Kampe; Secretary, Joanne Sasek; Treasurer, Betty King.

Command Performance

Yea Team!
Talent at the key board

What's Hep? Pep!
Talent Club chorus line

CHEERLEADING TEAM . . . "What's hep? Pep!" . . . and those hard-working Morton cheerleaders have plenty of it. The team promotes better sportsmanship between opposing schools and leads the student body in cheers. Any Morton girl or boy may try out for the team. Each cheerleader must be passing all majors and is judged on the basis of personality, pep, neatness, and sportsmanship. The coveted cheerleading "M" is awarded to any member of the team who has earned 1000 points. The points are given for attendance at meetings and cheering at games and assemblies. The equally hardworking coaches are Miss M. L. Flanders and Miss M. I. Miller.

TALENT CLUB . . . Remember those swell talent assemblies? They were all sponsored by the energetic members of the Talent Club. Any Morton student who possesses some special talent is eligible for membership. Besides performing in the Morton Varieties and other local productions, members have appeared on the radio and on Tony Fontaine's T. V. show. In the way of service, the Talent Club sponsored five shows for the Great Lakes veterans during the school year. Mr. A. P. Kovanic advises. The first semester officers were: President, Frank Reda; Vice-President, Gloria Skender; Secretary, Charlene Marshall; Treasurer, Jeanne Tistle.

Made Up for Action

The dramatic association of Morton is divided into three clubs, Frosh-Soph Drama, Junior Drama, and Senior Drama. The objective of these groups is to discover and develop a student's dramatic talent.

A student may greatly profit from his or her membership in the dramatic association for not only does it help to overcome stagefright and self-consciousness but it gives students the golden opportunity of meeting others and learning to help and to get along with people.

The Little Theater is the Workhouse for the drama group, which this year has been very active providing many top rate plays for the student body. There they progress from simple pantomime and monologues to hours of stiff rehearsals and finally the actual production and staging of a play.

Among the activities of the Frosh-Soph group this year, was the production of the play Sunday Costs Five Pesos. The sophomores joined talents with the juniors in the production of The Master Salesman. These skits and many others were presented for the English classes.

The officers of the Frosh-Soph Drama Club for the first term were president, Joe Pouhe; vice-president, Judith Rotunno; secretary, Joy Vesely; and treasurer, Barbara Janik. Those elected to serve the second term were president, Sheila Weiss; vice-president, Norburt Bruzan; secretary, Barbara Janik; and treasurer, Joy Vesely.

The juniors displayed their talents in Submerged, which had an all boy cast. So Wonderful in White was staged by the girls who were not to be outdone by the male members of the drama club.

The plays the thing for them
They'll have their names in lights
Between the acts
Between the lines

The Stage is Set

During the first semester, the officers of the Junior Drama Club were: president, Marilyn Hosek; vice-president, Lois Krejci; secretary, Joy Kranzow; and treasurer, Norbert Bruzan. These were replaced the second term by president, Joy Kranzow; vice-president, Donna Lee Johnson; secretary, Ralph Simek; and treasurer, Bernadette Strnad.

Another very busy drama group at Morton this year was the Senior Drama Club. Besides their excellent work on the senior play which was one of the most successful presented at Morton, this group put on Trouble in the Cellar, a one act farce, at a student assembly. They were also kept very busy working up a group of one act plays which they plan to present in a finale.

The officers for the first semester were president, Madeleine Halicke; vice-president, Beverly Brouk; secretary, Anna Klecka; and treasurer, Marion Toriello. The second term the officers were president, Don Fisher; vice-president, George Zahrobsky; secretary, Jim McCandless; and treasurer, Sylvia Kostas.

The club members make their own scenery and also gather their own props from remote attic or basement corners. Bits of this, that, and the other are collected, assembled, and presto someone has a costume. Such efforts are behind every play which is produced by the association.

Not to be forgotten is the talented Mr. Teeter under whose patient guidance the club members work, and who so successfully directed the senior class play.

Officers supervising the scene
What a revolting development!
The master salesman
Once upon a time . . .

Cheaper By the Dozen

Hold that hound
Father sees all
These stars shone the brightest

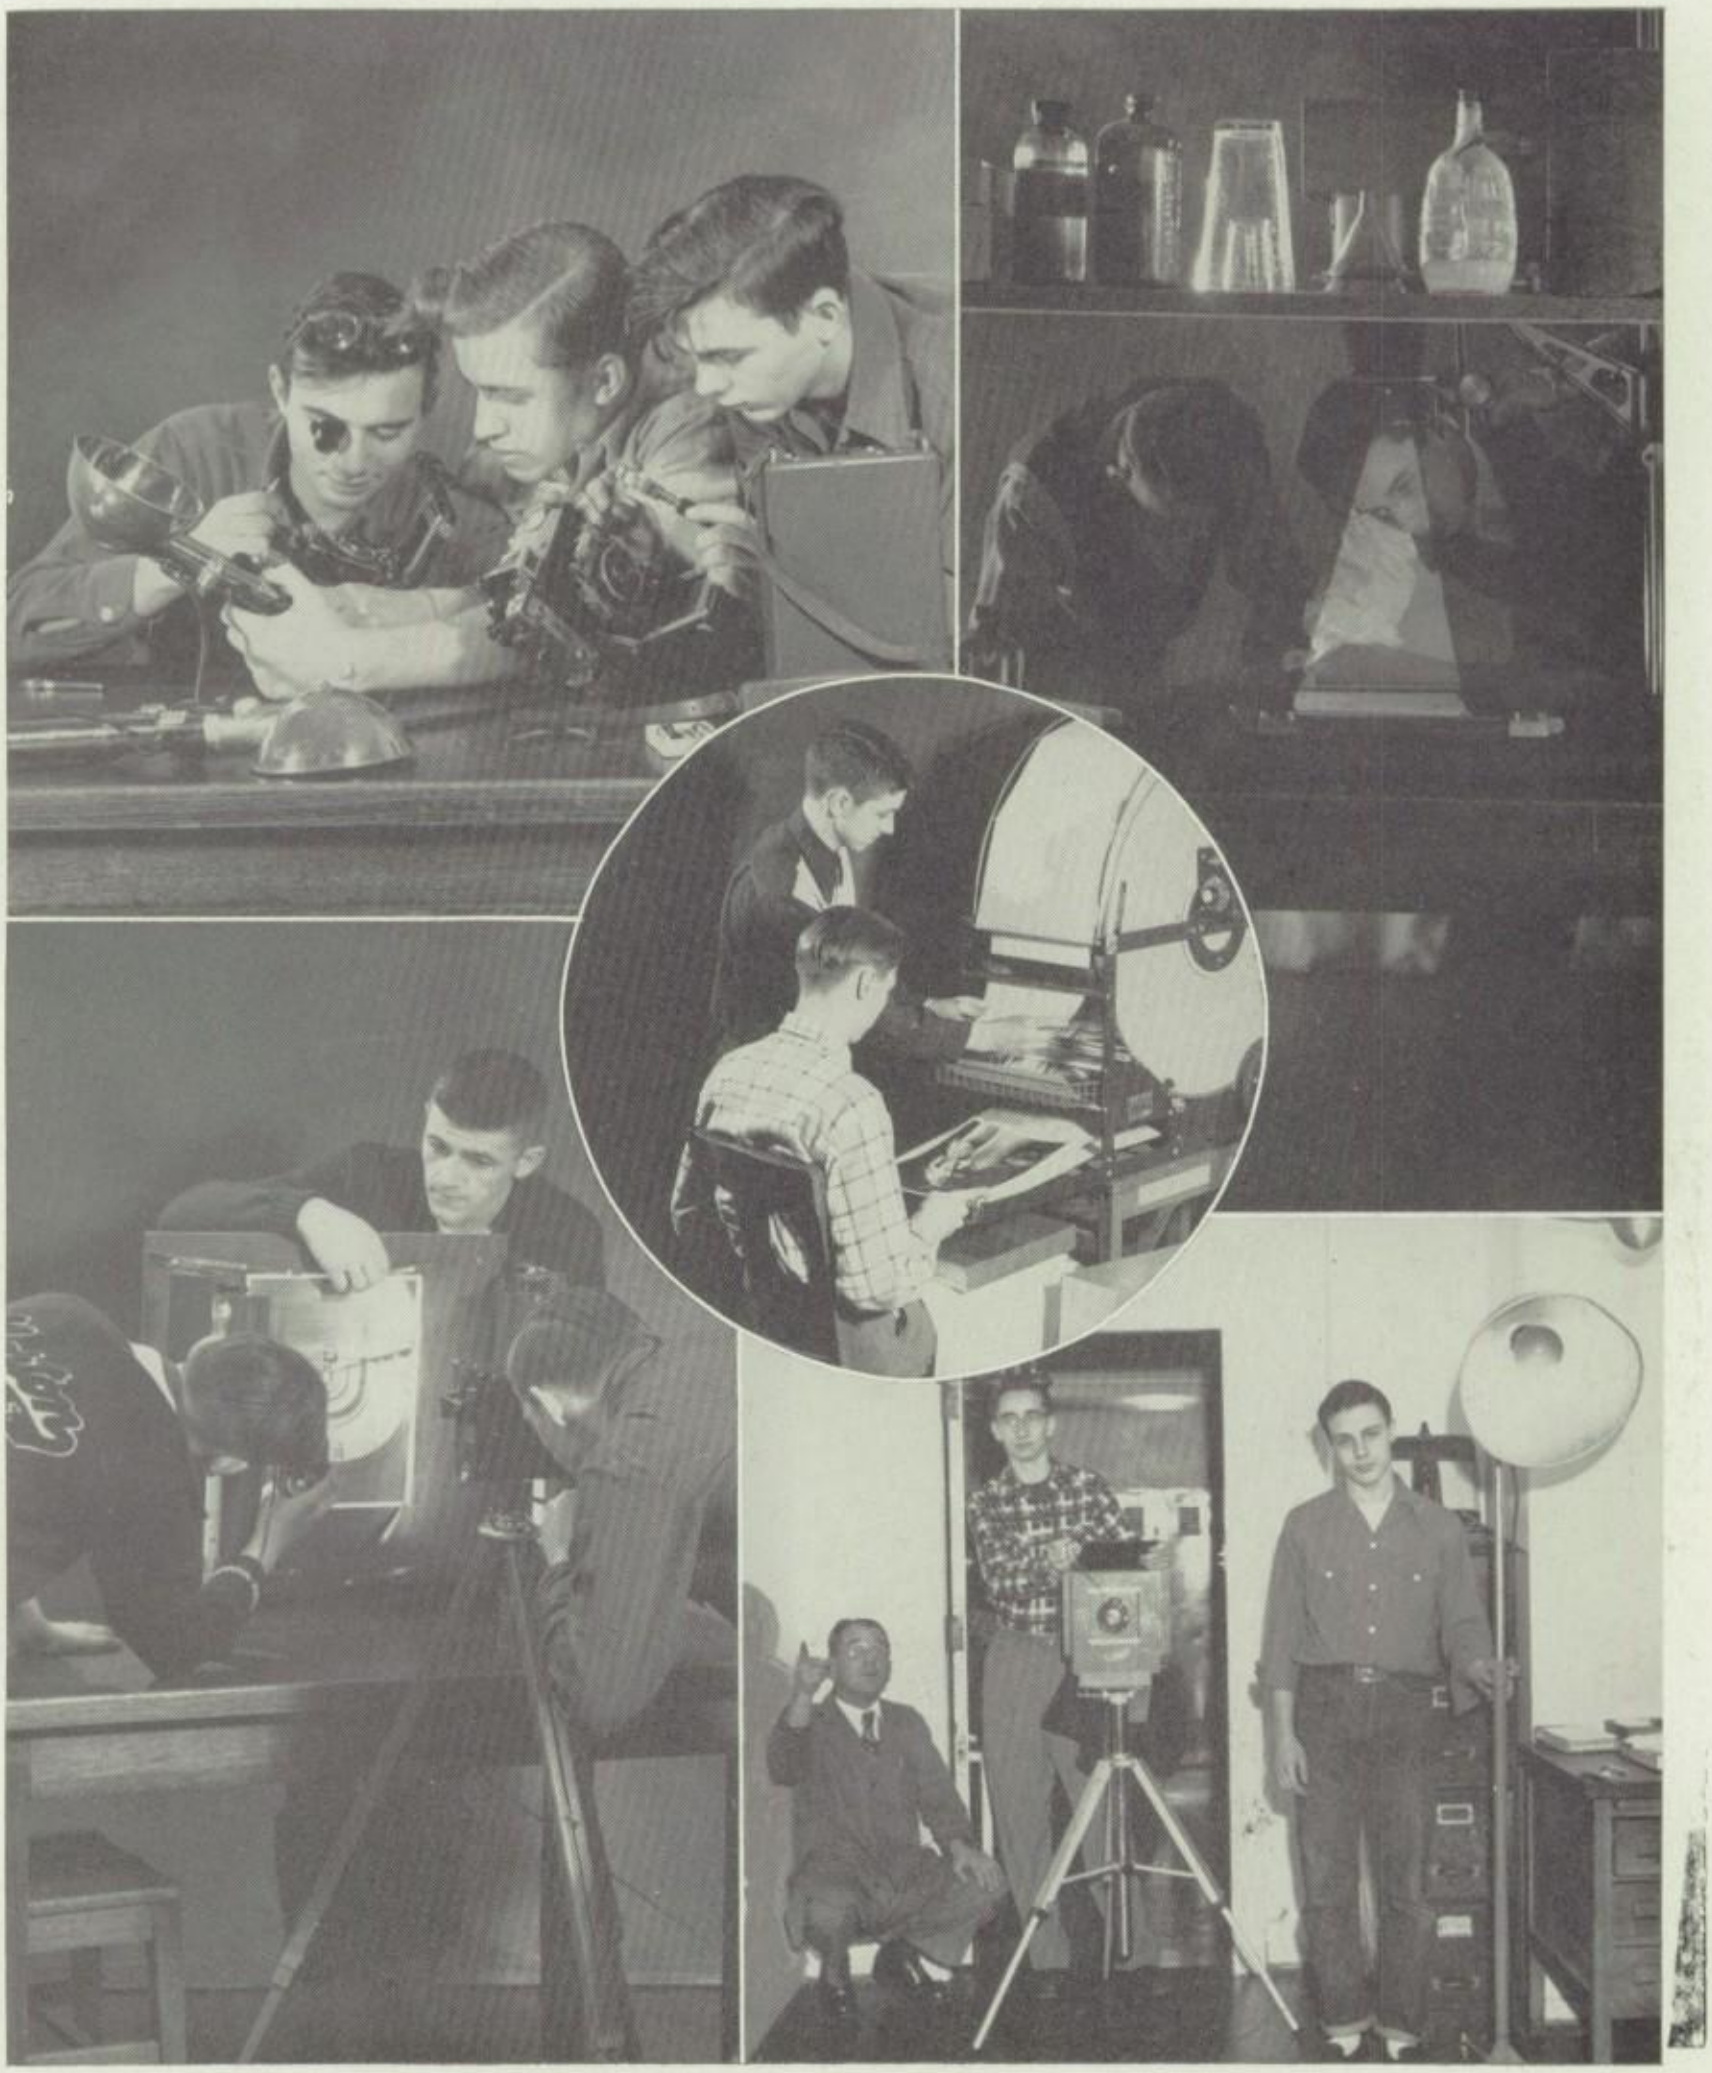
With a hoo-rah-ray!
Silk stockings and teddies

Cheaper by the Dozen was the production presented by the senior class this year. The play was again staged in the early part of January in order to give the mid-year graduates a chance to display their dramatic abilities.

The play was the stage adaptation of the book **Cheaper by the Dozen** by Ernestine Gilbreth Carey and Frank B. Gilbreth, Jr. It is the rollicking story of the problems encountered by a family that has twelve growing children and an efficiency expert with rather old fashioned ideas for a father. A series of hilarious incidents enacted by an excellent cast made the play one of the best ever presented at Morton.

As a reward for her excellent voice qualities and diction Emily Malanca was presented the Carnes cup after the play. Jan Jicha received the Coggeshall cup for the best acting of the evening.

Behind the Cameras



Camera craftsmen
Diffusion in the dark room
A task completed
Through the lens
You aren't smiling

It has often been said that no one is indispensable, but what would be the sad fate of the Annual-staff without their vocational photographers?

Under the able direction of their coach, Mr. Druschel, these boys do all the photography work for the annual. Many long hours are spent setting up, taking, and re-taking the division pages, and the pictures for the various sections of the book. The task is not then completed, for all pictures must also be printed and sized.

The boys take time out to join in the staff activities which includes participation in the Annual Staff vs. Weekly basketball game.

Mortonian Annual

Words from the wise
The finished product

Sports editors look for action
Copy and captions too?

If you should happen to step into room 104 on a certain day at a certain time, a scene of vigorous activity would unfold before you. Such a period of feverish work, is usually a forerunner of the dreaded "deadline". At such a time the very air vibrates with the enthusiasm of the sixteen staff members and Mr. Fox, their "guardian angel," as they put forth all their efforts to make the deadline, which falls early in the second semester. At this time, all material for the year book must be sent to the printers.

The first job of the staff is to choose a theme for the annual and to plan the cover. After this has been accomplished, the staff assignments are made and each individual busily begins to work at his or her particular section. Layouts must be planned, pictures taken, sized, and perhaps retaken, and finally the greatest worry of the staff members, writing captions and copy.

The staff members always find time to enjoy the parties planned by the publicity manager and to participate in other group activities including the Annual vs Weekly basketball game, which incidentally was won by the Annual-staff this year.

Read All About It

Planning the page
They'll make the headlines

The Mortonian Weekly serves the student body in one of the most important capacities, that of relating the important news of school activities. Imagine the amount of labor, planning, and thinking required in the editing of this weekly publication. All this is accomplished by a large staff of students who donate their time regularly and strive to meet a weekly deadline. The objective of these people is to acquaint you, the students, with the latest news and events that are taking place at Morton.

The staff is composed of representatives from the student body, who handle the work which may consist of interviews, sports stories, or literary compositions. This practice is often beneficial to the students who pursue journalism.

Among the social activities planned for the staff when time permits, are parties, hayrides, and basketball games. All these things contribute to the enjoyment of a staff member.

The advisor to the weekly staff is Miss Gaarder without whom it is feared the wheels of the press would cease to move. Miss Gaarder is a more than able advisor and stimulates the spirit of the staff.

Morton Student Government Association

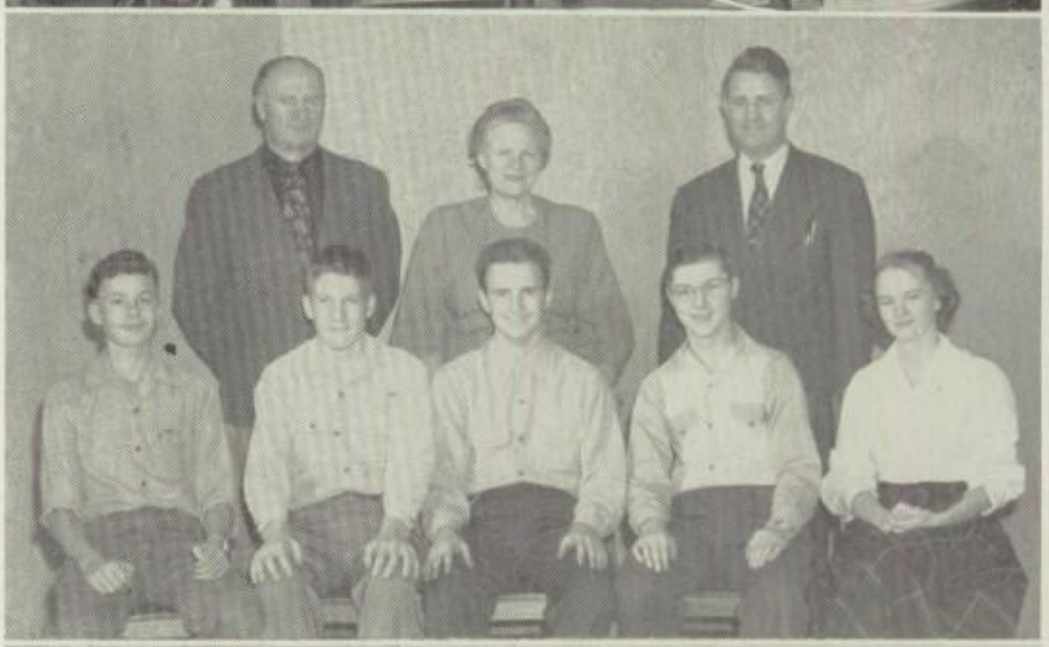
The most important organization maintaining order in the ranks of the student body is the Morton Student Government Association, more commonly referred to as the MSGA.

The Board of Directors constitute the executive branch and is composed of twenty students elected for a term of one year. These officers are elected by the Assembly annually in the fall. The class presidents of all four years are also included among the members.

The authority of the Board of Directors extends from the power to introduce new regulations and laws, make appropriations, and preside over the subordinate committees to which they are assigned by their chairman. All legislation that is passed in the Assembly is subjected to the approval of the Board; and in turn, the decisions of the Board must be presented to the Assembly for a vote of approval.

Bryan Carder served as chairman the first term and Kenneth Styber the second. The other Senior Board members are: Peter Hanen, Marjorie Oplatka, Carol Wallin, and Nancy Yoknis. Juniors: Marlene Hartman, Bill Hempstead, Marie Fisher, Frank Liska, Paul Meginnis, and Bill Roeder. Sophomores: Ron Albrecht, Bill Madden, Joan Novotny, Marilyn Vachout. Freshmen: Lois Obenauf, Marilyn Skrabel, Grace Simek, Morene Abel. Cabinet Officers: Louise Lentz, Joan Pilot, Marlene Zackovick, and Lenore Havlik.

The legislative branch of the Morton Student Government is vested in the representatives and alternates elected semesterly by the Home Room classes. It is the duty of the representative to relate the details of the matters under discussion at the



Call to order
Ready representatives
Executives in committee
The MSGA's busy Directors
Junior Board members

. . . Democracy in Action

meetings which are held in the Little Theatre every second Monday alternating between the fifth and eighth hours. The representative has one vote on each issue which represents the opinion of his classmates. Among the important topics discussed this year was the need for a new constitution and the establishment of a recreation center in the "caf".

The Executive Committee is composed of officers of the Board of Directors together with the advisors, Miss Prutsman, Mr. Larimer, and Mr. Ondrus. This group expedites the business to be taken up before the Board.

The Court of Justice is the judicial branch of the MSGA. Three student justices preside and are advised by two faculty members. The Board of Directors elect the officials of the Court. The Court was established to handle cases where school laws had been violated.

The Chief Justice this year was Edward Patula. Lincoln Stelk, Ben Jendrysik, Mr. Wright, and Mr. Meeker were the other justices. Prosecuting attorney was Dave Roberts, and the defense attorneys were Marion Teeuws and Virginia Cech. Carol Wallin served as the Court Recorder, and Margaret Lynett was the Bailiff.

The Social Committee was under the co-chairmanship of Marjorie Oplatka, and Nancy Yoknis. This group plans and approves social functions held at Morton. This year the committee was credited with the unusual black light decorations at the Christmas Dance and the unique Valentine's Dance. The hard working advisors of this group are Miss Matousek, Miss Bush, and newly elected Mr. Kitzerow.

School Activities Planned...

Calendar Committee sets the date
They map Morton's assemblies

Constitution Committee checks the laws
School Spirit and Activities their job
Publicity Committee spreads the news

The MSGA's various committees are instrumental in planning the many phases of student activities. The Election Committee headed by Marlene Hartman and aided by Mr. Richards conducts the various Cabinet, Board, and Honor Society elections. Deserving much credit for keeping the building in good condition as far as safety and health are concerned is the Building improvements committee. With Frank Liska as chairman and Mr. Blair and Ben Smith as advisors, this committee is an important asset to the students. The Calendar Committee's job is scheduling all school events and reserving dates for social functions. This committee was headed by Marilyn Vachout with the aid of Mr. Green. Led by Peter Hanen, the Constitution Committee has drawn up new by-laws concerning improvement in the MSGA Constitution. Mr. Larimer was the advisor.

Handling the important job of keeping the students informed of Morton events is the Publicity Committee. It has charge of the publication of the weekly bulletins and maintains the main bulletin board on the third floor. The Circulation Staff, another branch of this committee, is composed of boys of Mr. Kasik's Home Room class. They have the job of distributing the the Weekly Bulletins. This year Ron Albrecht was chairman and Mr. Kasik the advisor. Talent and Pep Assemblies are planned and arranged by the Assembly Committee of which Joan Novotny presides and is advised by Mrs. Murren. The Ways and Means Committee plans the budget for the coming year. Ken Styber and Bill Roeder manage this committee

Dear Kattie

B. I. C. Committee strives for school safety
"M" Book Committee edits a handy handbook
Ways and Means meets the budget

with Mr. Kasik as advisor. Under the management of Bill Hempstead and Mr. Bunnell, the Activities Committee promotes school spirit.

The Athletic and Booster Committee, Paul Meginnis, chairman, had as its main objective, the difficult job of promoting the homecoming activities. Miss Wissig is advisor of the group. The task of determining the deserving students who get awards for outstanding accomplishment in the various phases of student activity is handled by the Service Awards Committee with the aid of Miss Prutsman. The "M" Book, which serves as a guide for incoming students, is compiled by the "M" Book Committee. Grace Simek is chairman of this group, and Miss Russell is the able advisor. Under the supervision of Mr. Green, the Auditorium Committee prepares the weekly assembly programs.

Senior Honor Society

Brilliant spelled with a tea
Tea with a punch

The ultimate climax of individual initiative and educational achievement at Morton is election to membership in the Senior Honor Society. The Senior Honor Society is a national organization established for the purpose of promoting scholarship, leadership, and dependability.

Membership is limited to those students having shown an exceptionally prominent scholastic standing, and possessing the qualities of good character, leadership, and service.

Two elections are held annually; one in December for midyear students, and the other in May. Of the one third eligible, only fifteen per cent of the Senior class and five per cent of the Junior class are elected. The candidates are chosen by a student and faculty vote. The newly elected members are then initiated at a student assembly in January and following the Honors Banquet in May.

Among the activities of the Senior Honor Society are the annual Honors Banquet held in May and the semester teas held after each election for the newly elected members.

The first semester officers were: Martin Blaha, president; Kenneth Styber, vice president; Frank Lexa, secretary; and Donal Meikle, treasurer. The second semester officers are: Barbara Nadel, president; Richard Michalec, vice president; Betty Priggie, secretary; and Fred Hertel, treasurer. The adviser is Mr. P. L. Kiser.

Junior Honor Society

Officers planning varied activities
Scholarship . . .

Leadership . . .
Service . . .

The National Junior Honor Society is an organization created to provide a scholastic objective toward which the underclassmen can strive. Among the outstanding qualities possessed by the members are scholarship, leadership, character, and service.

Eligibility is limited to those second year students having an average of ninety or above, and capable of upholding the tradition of the organization. An election is held annually in December. All eligible candidates are rated by a faculty poll. Then the final selection is decided by a faculty council. The new members are then inducted at a student assembly.

The officers this year are Kenneth Styber, president; Marjorie Oplatka, vice president; Nancy Vyhnal, secretary; Nancy Pav, treasurer. The faculty adviser is Mr. L .S. Zelip.

They Strive to Achieve Good

Orators on the air
They can speak for themselves

Officers planning the program
Waiting to speak their piece

One of the most active and progressive organs of the National Honor Society is the Morton Chapter of the Masque and Gavel. This group has recently completed its seventh successful year of participation in school activities. The objective of this society is to promote improved and better speech at home, school, and in social contacts. The members of this organization are people who excel in extra-curricular activities such as debate, radio, dramatics, public speaking, honor societies, and clubs.

To be accepted to membership into this group, a student must sustain a minimum average of eighty-five and have acquired the essential traits of leadership and good character.

A student having accomplished this goal and wishing to become a member of the organization must declare his candidacy within the first month of school. His petition is then subjected to the approval of his teachers, and advisers of the clubs in which he is active, and finally the superintendent, Mr. MacLean. The meetings are held weekly on Wednesday during the morning guidance period.

Prospective members are required to give a speech on the purpose of the Masque and Gavel. At the initiation a ceremonial is conducted for the new members, and then a play is presented for the enjoyment of the members and their parents.

The officers this year are: Jennis Bapst, president; Audrey Schultz, vice-president; Joanne Slauf, secretary; Ronald Harley, treasurer; and Tom Swarthout, sergeant-at-arms.

Writing and Public Speaking

QUILL AND SCROLL . . . The organization dedicated toward the advancement of journalism at Morton is the Quill and Scroll. The purpose of this society is to encourage and promote initiative in the fields of high school journalism. Eligibility in regard to candidacy is limited to members of the Mortonian Weekly and Annual who are in the upper third of their class and in their third or fourth year. Prospective candidates are determined by the recommendation of Mr. Fox or Miss Gaarder who are in charge of Morton's two major publications.

Initiations are held yearly in the spring and are followed by a banquet at which the newly elected members are presented with the Quill and Scroll pins.

Officers this year were: Frank Lexa, president; Bernard Bruhn, vice president; Joe Velek, secretary-treasurer.

JUNIOR MASQUE AND GAVEL . . . Before underclassmen and fifth semester students are inducted into the ranks of the Senior Masque and Gavel, they may receive training in the fields of drama, public speaking, and the fundamentals of parliamentary procedure for a period of one year. These students must also maintain an average of 85 or over. Students that qualify for membership are usually active leaders in school affairs. Among their projects this year, the Junior Masque and Gavel participated in the Easter Seal Drive and the Red Cross Program. This society is under the direction of Miss Berry.

Officers this year were: June O'Connell, president; Don Hajek, vice president; Maureen Abel, secretary; Robert Scavuzza, treasurer; and George Benak, sergeant-at-arms.

Music

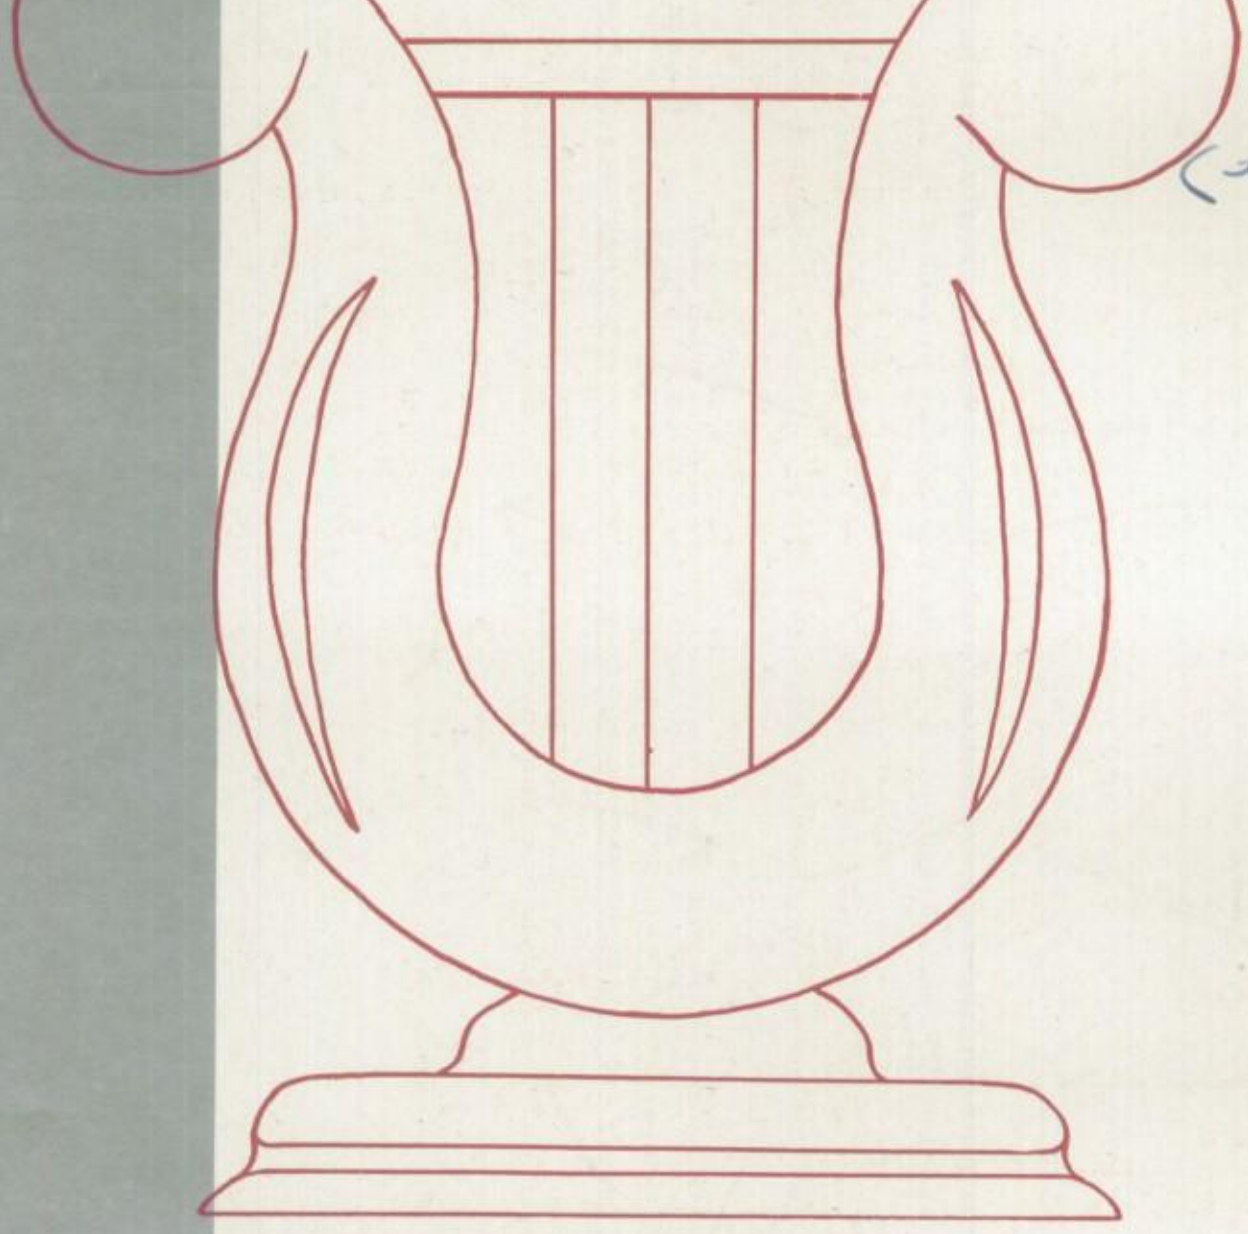
a sweet girl who
I had in
Best wishes
Phyllis Brazina



The Music

The Morton Aeolian Choir is the goal of many just starting out in the Freshman Girls' Chorus, but it can only be reached by having singing ability and working hard.

Besides the Aeolian Choir and the Freshman Girls' Chorus there is a Mixed Chorus and a Girls' Glee Club. Through the combined efforts

We Three Kings

Official Business

That Sings

of all these groups, a very impressive and inspiring Christmas Musicale was presented by the director of these groups, Mr. C. H. Kickert.

In addition to this the Choir sang at a Morton assembly and visited other schools to sing at their assemblies. Baccalaurate would not be complete without a selection from the Aeolian Choir.

Sing in Exultation

Delightful Threesome

Magic Melodies Wrought

The songs from South Pacific were also a sensation on the Morton stage when the Morton Orchestra played this among other works at its mid-year concert. At this concert members of the Orchestra appeared as soloists giving an extraordinary performance.

The Orchestra was busy indeed this year playing for graduations and the senior play. These same musicians also participated in district and state contests receiving high honors.

Accent That Beat

The Maestro Himself

From Singing Strings

Their perfection is only a result of long hard work, for besides fifth and sixth hours the Orchestra also meets one night a week.

They have fun, however, at parties which are held several times a year and at a big initiation which is held annually to receive new members into the Orchestra.

The direction of the Orchestra is under Mr. L. M. Blaha.

Too Long?

Play, Fiddle, Play

When you see the drums go by
You will see the next to die
You will turn a shiny green
And pass will disappearing cream
From one corpse to another
Kim Schaefer

Syncopation

It was the Morton Band that came out to the Homecoming game that wintry day and not only displayed their fine playing skills but one of their many marching skills by forming an "M".

But the Band doesn't always march and play marches. In its spring concert it featured the score from the show Oklahoma by Rodgers and Hammerstein.

The Morton Dance Band, comprised of Band members, played at the afternoon dances throughout the year. These fine musicians also participated in community functions like the "Kick-Off" Banquet for the Community Chest.

Rhythm

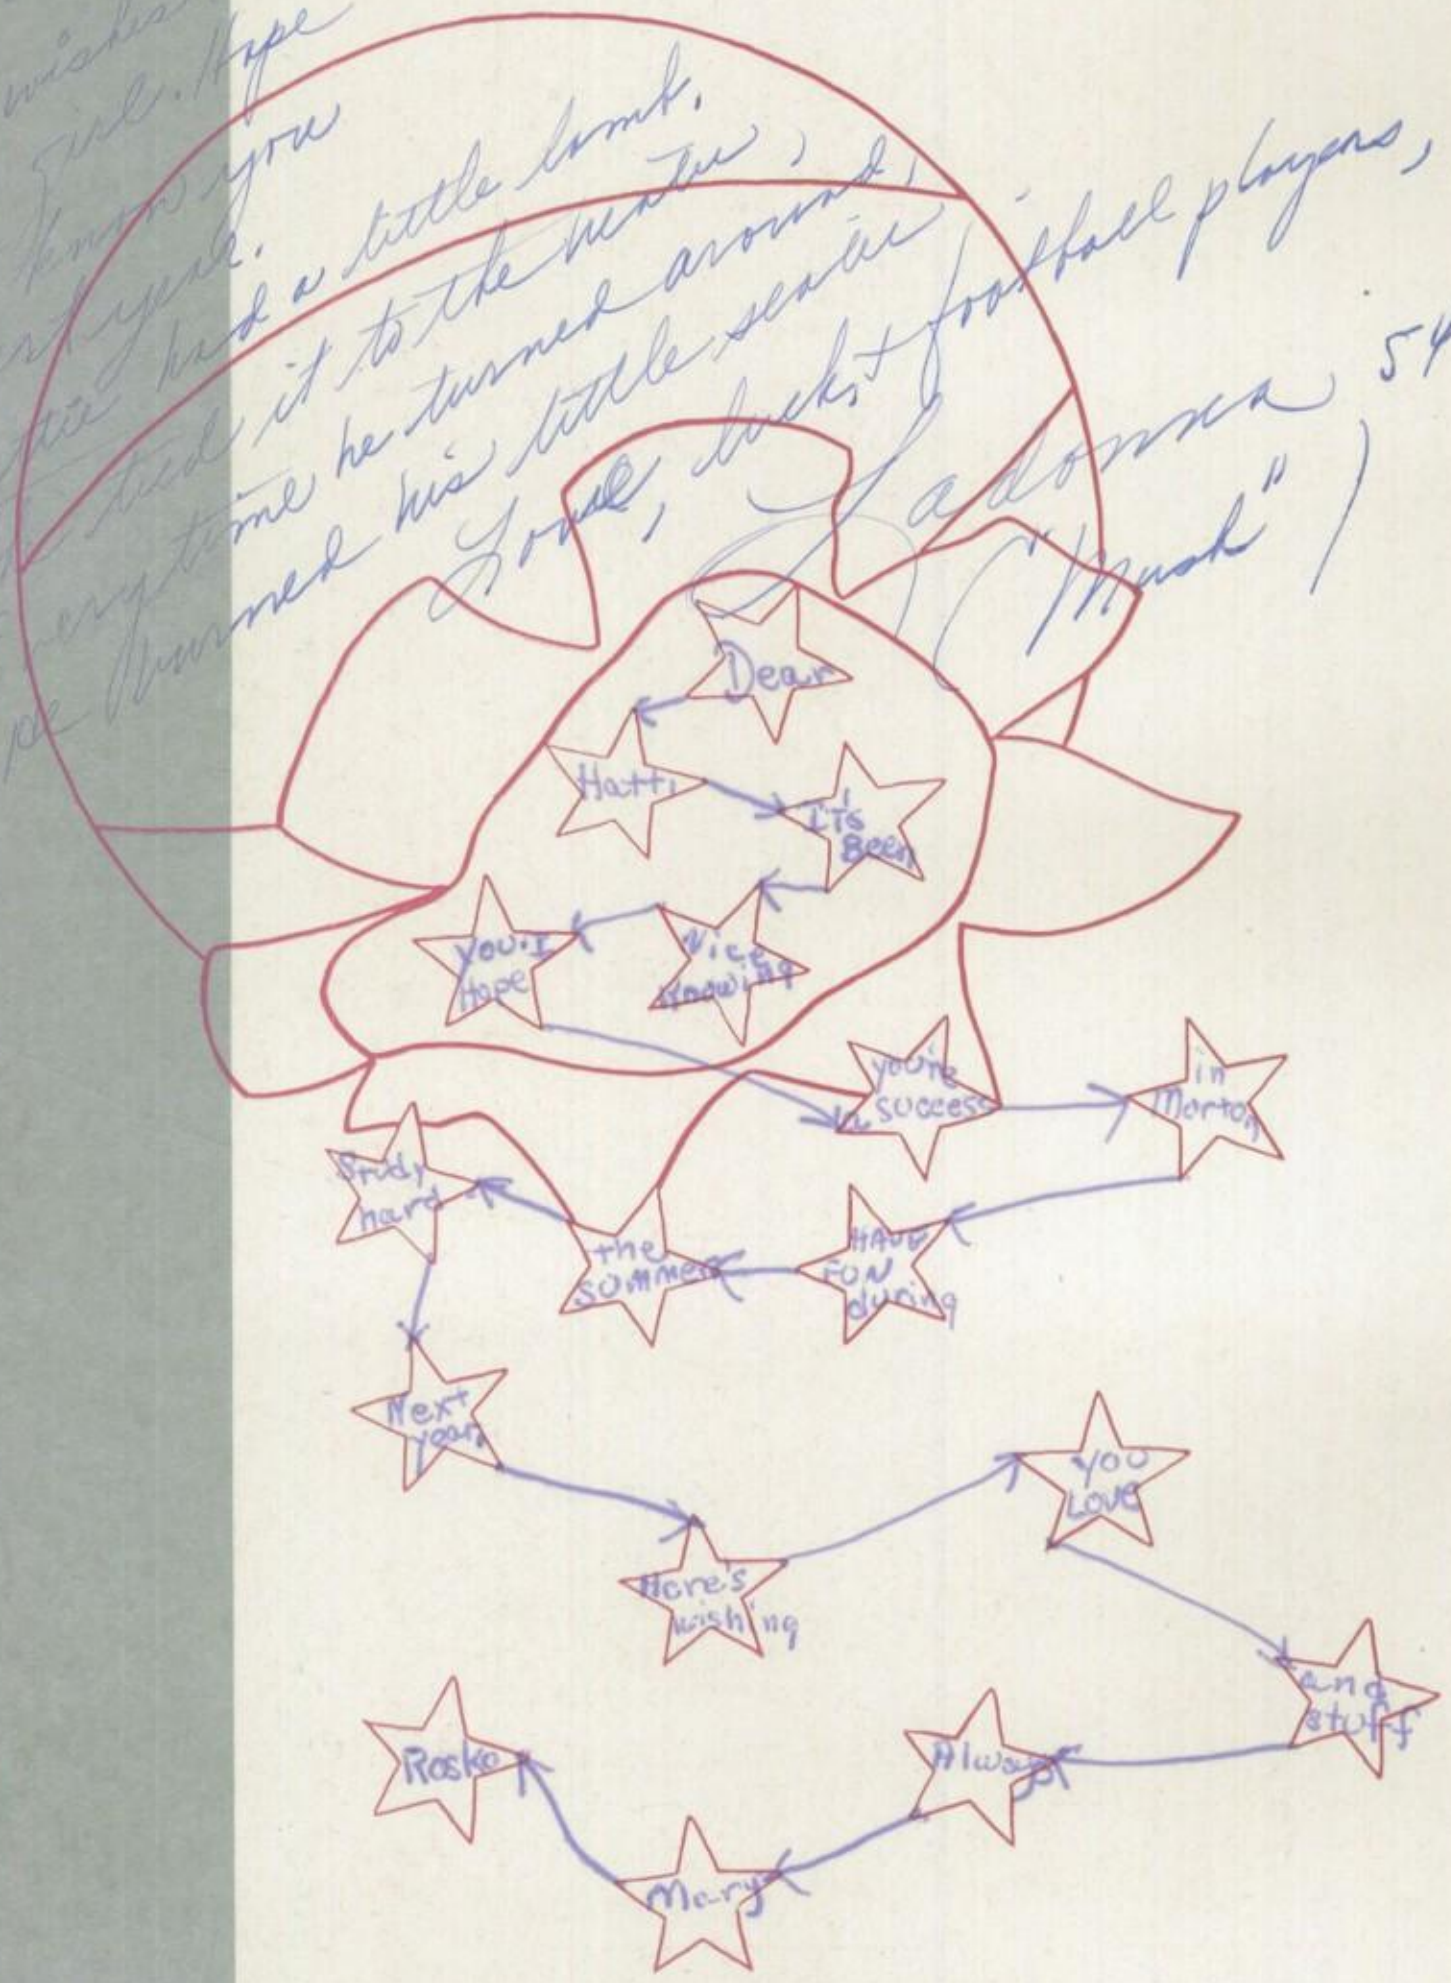
Mr. L. M. Blaha keeps his Band members busy, with all the extra practices that are held. These include the ones that are held once a week at night with all the band members and others held at various times during the day for the special sections. This allows Mr. Blaha to give everyone special attention.

He is able to keep them interested too by the variety of music by European and American composers in the band library.

Sports

Dear Hattie,
It's been swell having you in Glee Club. The best of luck to a swell girl.
Love,
Agnes Ocenasek.

6/6/51
Dear Hattie,
Best wishes to a swell girl. Hope I get to know you better next year.
Hattie had a little lamb,
Everytime it to the meadow,
Everytime he turned around,
He turned his little head
Love, luck + football players,
Adonna 5'4"
"Hunk"



Mustangs Battle Mighty Marauders

The varsity Mustangs extended their string to five in a row over the R. B. Bulldogs. For the fifth straight year Riverside went down; this time the score was 20 to 6. Captain Les Dominick was unleashed on a 45 yard quick opener for the first score. "Swede" Erickson booted the P.A.T. A drive was climaxed by a 25 yard pass from Ron Jecha to Jack Nicolette and a T.D. On a quarterback sneak Bob Klings plunged the ball over from the one yard line for the final score. Erickson again put his educated toe to good use.

The former league champions of Evanston proved to be too much for the gridmen as they went down 48-6. In the second quarter the Mustangs took a kick-off and began to roll. Taking advantage of a penalty they gained a first down. Then, from mid-field, Ron Jecha completed a pass to Bob Konovsky. Bob took the ball on the 35 yard-line and ran the rest of the way to score.

Next the Mustangs encountered the Green Wave of New Trier. The tide rolled in and the varsity went under with a score of 33-6. Again the second quarter saw our boys rise up to the situation. Nicolette picked up 8 yards. Neuzil followed with a first down on the 15 yard line. From there Jecha threw a perfect pass into the arms of Bob Konovsky for a tally.

Two years ago when our varsity-men were sophomores, they met Highland Park and emerged victorious 7-6. This year the Parkers turned the tables to the same tune 7-6. A march from the Morton 27 was highlighted by the runs of Dominick, Klings and Jecha. The line opened perfectly and Dominick scored from the fifteen. The P.A.T., however, failed.

Meet Their Match in Slow Season

The gridmen battled Niles to a 7-7 deadlock. A Morton drive in the first period started when Ron Jecha intercepted a Trojan pass on the Niles 40. The drive resulted in a touchdown even though Morton was forced to kick. A roughing the kicker penalty gave the ball to the Mustangs with a first and ten on the Niles 20. Nicolette and Neuzil brought the ball to the 2, and Nicolette took it over.

The Mustangs next met the league champions, the Proviso Pirates. The tremendous potential built up by the Pirates was unleashed against the varsity as they fell 33-6. Ron Jecha connected with Don Counihan for a pass play which traversed 83 yards and a T.D. This was called back. On the next play Jecha again connected with Counihan, this time for 69 yards. Counihan then carried for 12 yards, and Jecha scored from the one.

The varsity racked up 19 points against a strong Oak Park team. In the first period after completing a pass to Counihan, Jecha scored on a quarterback sneak. The second period saw Bob Carter snap up a fumble deep in Oak Park territory. Four plays later Bob Konovsky hauled in a touchdown pass. Counihan caught another T.D. pass and Carter added the P.A.T. Final score: Oak Park 42—Morton 19.

A very muddy field and the Waukegan team dampened our homecoming hopes. Waukegan tallied 19 points to our 6. Following two passes to Konovsky, Counihan went around end to score. Coach Ondrus and assistant Coaches Fencl and Wojciechowski guided this year's team.

JayVees Make Best of Short Season

Excellent defensive and offensive play headlined the first outing of the Junior Mustangs, who were under the direction of Coach Wojciechowski, as they faced Evanston. Evanston scored its only touchdown with 4 minutes left to play in the fourth quarter. The JayVee's held the offensive through most of the game but failed to capitalize as time ran out on their final opportunity with the score standing: Evanston 6, Morton O. Fine quarterbacking was displayed by Bill Roeder and fine pass receiving by Jim Smith and George Vokac. Ken Wasak demonstrated his running ability at halfback.

In their second showing the JayVee's were edged out by New Trier to the tune of 19-12. Morton received the opening kickoff and marched the length of the field on end runs and quick opening plays. Les Evans scored on an end run from the fifteen. New Trier scored in four plays after blocking a punt and recovering on the 20. There was no further scoring until Morton went over as Bill Roeder completed a long pass to Tom Eubler. A drive by the Junior Mustangs bogged down with only a minute left to play.

The Junior Varsity produced its first victory of the season by trouncing Proviso 32 to 20. Proviso drew first blood, but Morton retaliated with a 77 yard march climaxed by John Wood's fake end sweep. He promptly delivered a pass into the waiting hands of George Vokac. The JayVee's scored again in the second period when John Wood swept around the end from his fullback position. Proviso ended its scoring early in the second half and Morton found itself behind 20 to 13. The JayVee's opened up and began to roll. Les Evans scored from the four. Paul Meginnis crashed the goal line but fumbled. However, Jim Smith fell on the ball in the end zone. Don Benda, a guard, intercepted a pass and ran 12 yards for the final T.D.

The Oak Park game saw the Junior Mustangs trample the Huskies from one end of the field to the other. Strangely though, our boys could not cross that vital goal line. The fatal blow was struck in the fourth quarter as Oak Park completed a long pass and scored its only touchdown of the game to win 6-0.

The Junior Varsity dropped its final game to Waukegan in a fierce battle which found the JayVee's on the short end of an 18-12 score. Poor weather conditions hampered both teams. Les Kocour exploded on a quick opener for 60 yards and a touchdown. Paul Meginnis scored on a quick opener from the four. All in all prospects appeared good for next season.

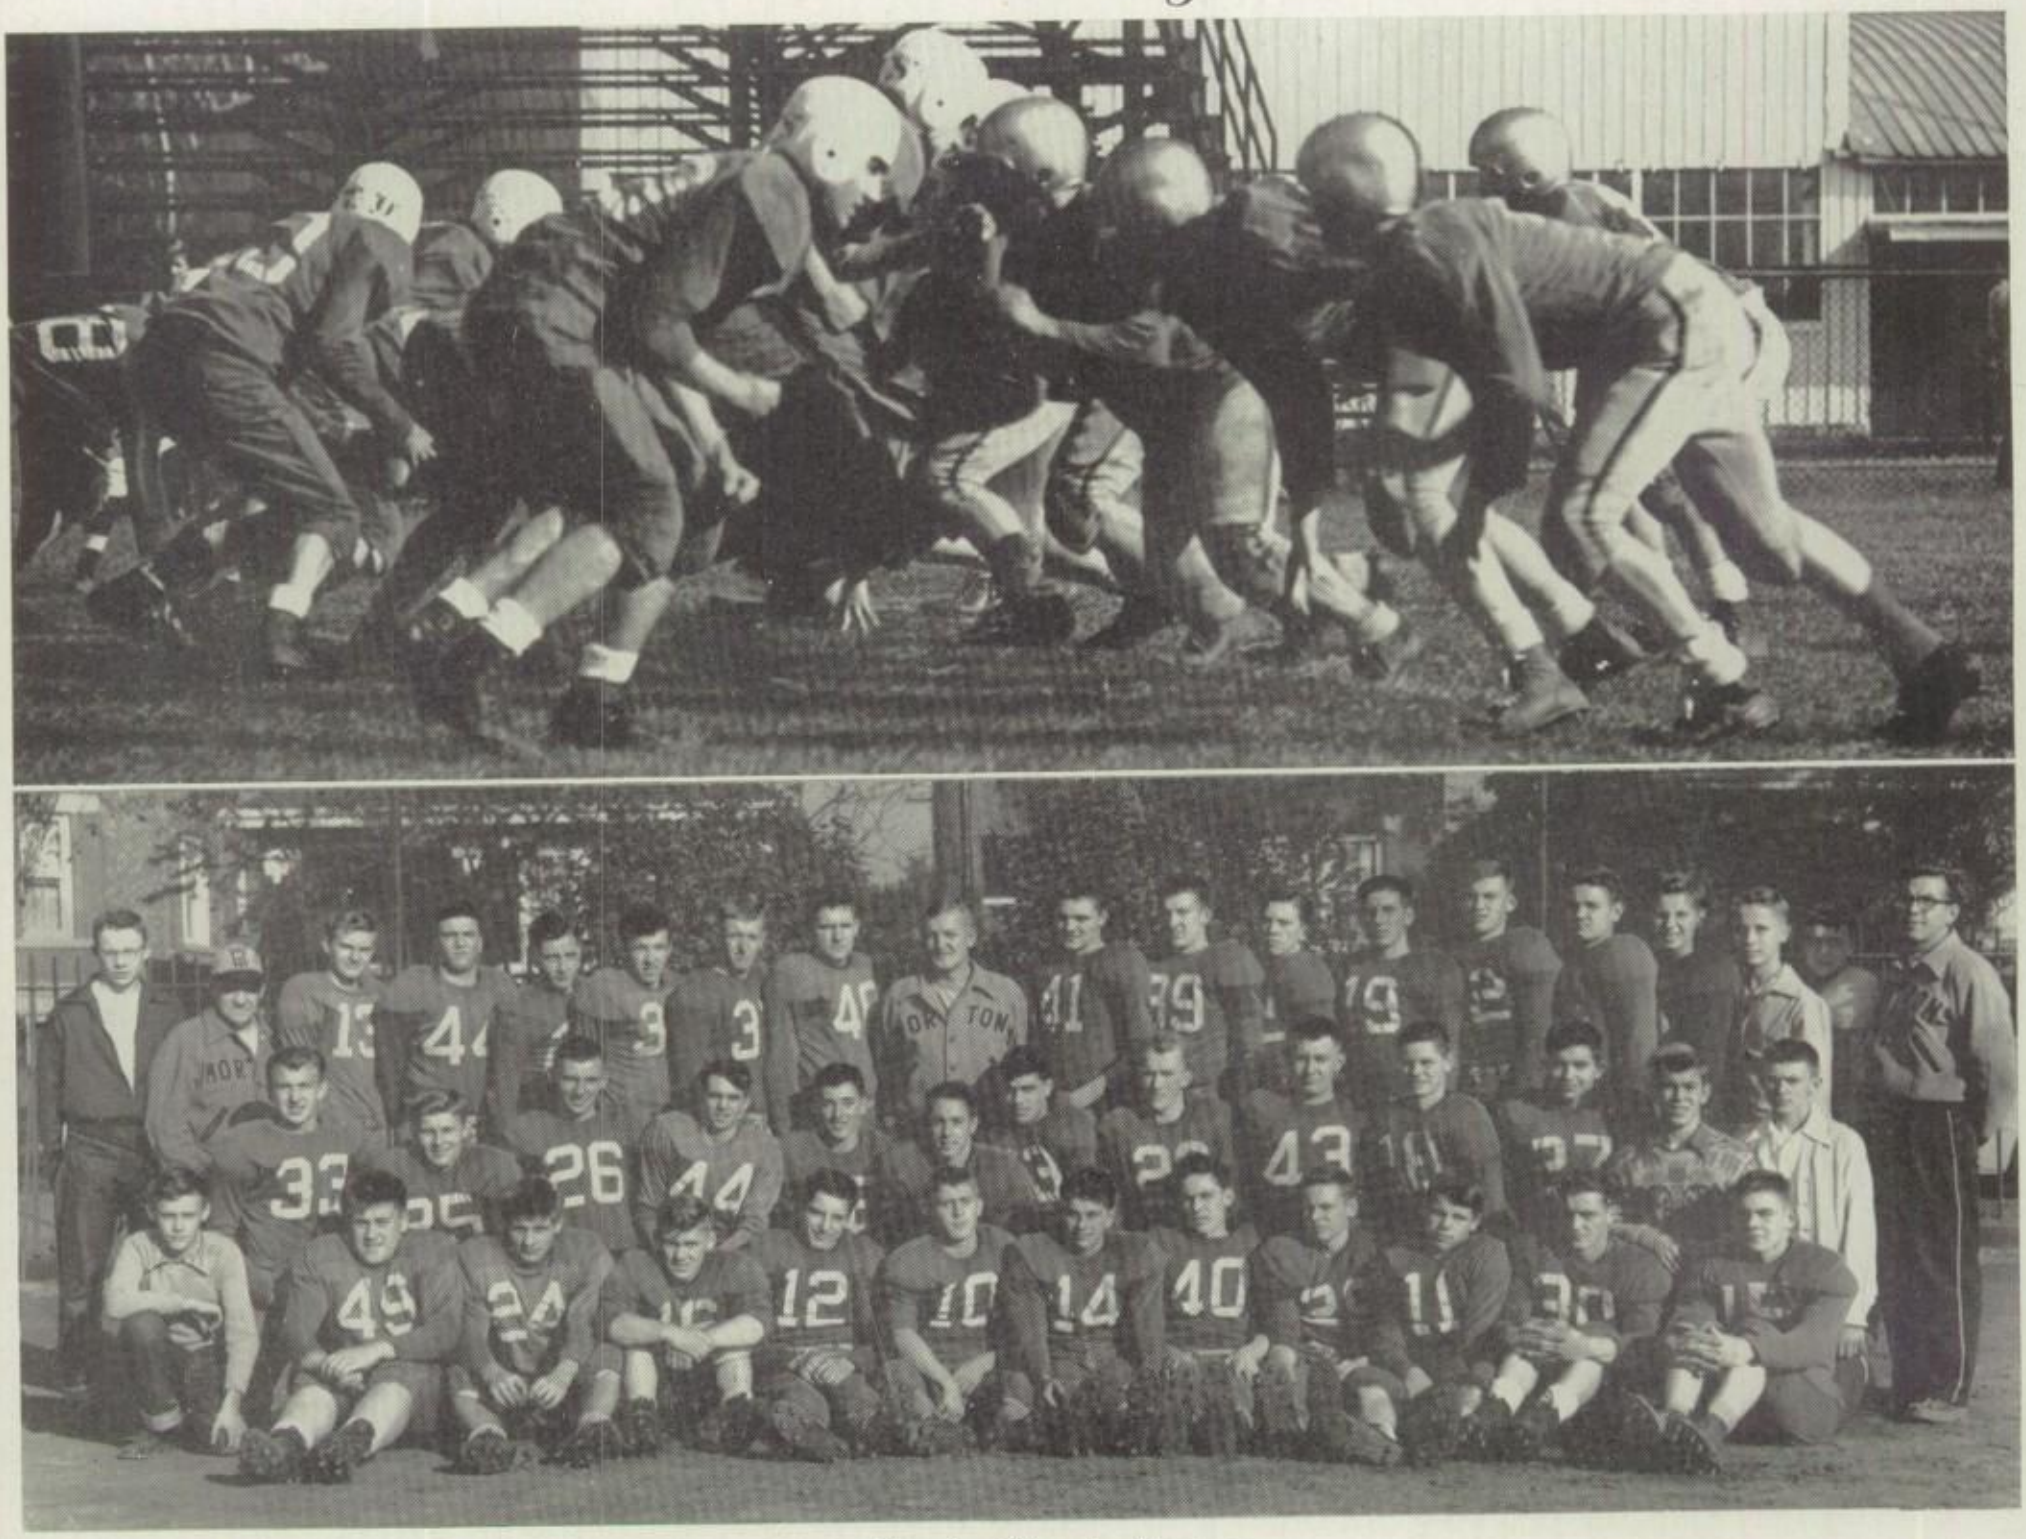
Ponies Overcome in League Combat



Ponies Charge Pirates

Top: Mgr. Bastyr, Trainer Shack, Olmstead, Perna, Gizynski, Reid, Kalas, Steinhcuse, Coach Hedtke, Ross, Spolar, Hlustik, Foitl, Kucera, Mango, Rausch, Mgr. Van Gorder, Lacina, Ass't. Coach Bond

Middle: Zajicek, Anderson, Krauz, Travaglio, Bezdeka, Hoss, Spagnola, Vanerka, Hyjan, Novander, Polich, Ihde, Jacques

Bottom: Mgr. Rushford, Vrba, Novacek, Veverka, Perillo, Krenek, Wagner, Scholz, Kocourek, Pojman, Nannini, Barry

At long last Coach Hedtke's Ponies have broken the R. B. jinx. Spectacular running and brilliant line play brought them to a 20 to 7 victory over the Zoomen. Spagnola carried the mail for the first T.D. scoring in two successive plays from the 16. Olmstead recovered a fumble on the R. B. 15, and three plays later Vaverka smashed over to score. Spagnola skirted the end for the P.A.T. The final tally was provided by Gizynski as he ran over from the 4. Nannini passed to Spolar for the P.A.T.

Next the Ponies suffered defeat at the hands of a strong Evanston team. The Wildkits piled up 21 points to our 6. Our only score came as Gizynski scored from the one.

The underclassmen battled Niles to a 6 to 6 standstill. The lone score for Niles came in the first half. A sustained drive in the final quarter went from the Morton 21 to the Niles end zone and was sparked by the running of Gizynski, Polich, and Vaverka. A pass from Gizynski to Vaverka took the ball to the Niles 27 and Vaverka scored from the 2 on an end run. The following week saw Proviso's Pirates hand the Ponies a 19 to 6 trimming.

In the Oak Park game Polich took a pass from the 35 and lateraled to Vaverka who scored. Scholz booted the P.A.T. After completing a 40 yard pass to Barry, Nannini scored from the 6 inch line on a quarter-back sneak. Oak Park was the victor, 37-13.

The final game was executed under the handicap of a rain-soaked field. Fumbles of the slippery ball made bad breaks at some crucial points as Waukegan edged out the Ponies 7 to 0.

Booters Outscore Competition

Top: Coach Jahelka, Turner, Turek, Remeickis, Kostelancik, George, Navratil, Ciner, Benuska, Bonucelli, Hildbrandt, E. Kostelancik, Nadherny, F. Miller, E. Miller, Mgr. Wagner

Bottom: Butara, Petrigala, Jenicek, Linartas, Lurie, Pilat, Yochem, Tuley, Hempstead, Blazek, Nudera, Kostka

Due to unfavorable weather conditions the first game of the season with Schurz was postponed. Lake Forest thus became the first foes of the Booters. John Kostelancik was a mighty good man to have around; all he did was score two goals and lead the team to a 2 to 0 victory.

University High next fell at the feet of the Jahelka men. Halfback Bob Nelson contributed a great deal of excellent play and Rudy Nadherny scored 2 goals as U. High went down 4-2.

The Booters at last were hosts to Schurz, who wound up city league champions. Rudy Nadherny scored the lone goal for Morton. Early in the first half he took a pass from John Kostelancik and from 5 yards out booted it in. Excellent defensive work was provided by the Morton goal keeper George Yochem. However, Schurz sneaked one through to tie the game 1 to 1.

The Soccermen next met University High again and produced a 2 to 0 victory. George Blazek, right wing, scored on a pass in front of the goal by Rudy Nadherny. Jim Hildebrandt scored the second goal when the goalie let the ball bounce out of his hands.

Morton suffered its first defeat at the hands of its arch rival Oak Park. Rudy Nadherny took advantage of a penalty shot from 10 yards out to give Morton its only score of the afternoon. Oak Park scored their second and winning goal in a similar manner. Final score: Oak Park 2, Morton 1.

Thomas Remeikis sparked Morton's soccermen to victory when he scored three goals in the first half of the game against Lake Forest. Remeikis scored his first two goals after taking passes from John Kostelancik, and the third on an accurate shot from 10 yards out. "Buck" Butara guided the ball in from a few feet out, and Rudy Nadherny booted the final goal. Thus, the Jahelkamen triumphed 5 to 0.

When Morton encountered Oak Park for the second time, the League title was at stake. Unfortunately, Oak Park managed to squeeze by once again. Rudy Nadherny scored Morton's only goal, and Oak Park won 3 to 1.

Same Mustangs Swamp Suburban

Top row: Trainer Shack, Bryant, Kocourek, Havel, Jecha, Roy, Milota, Caldwell, Tuma, Coach Vopicka

Bottom: Mgr. Crain, Zitek, Makovsky, Bragiel, Sevcik, Roberts, Mgr. Stelk

VARSITY BASKETBALL . . . The basketball season of 1950-51 has seen Coach Jim Vopicka set forth one of the finest teams ever to represent Morton High School in interscholastic competition. In their games the Mustangs have shown rare team spirit and cooperation. Combining individual skills with team play, they have thrilled Morton fans—and those of other schools, too—with their spirited and sportsmanlike ballplaying. Morton will never cease to be proud of this fine team which has represented the school so well.

The line-up started by Coach Vopicka all through the season has been: Dale Sevcik and Don Zitek, forwards; Ed Makovsky, center; Jim Bragiel and Dave Roberts, guards. Each of the boys made the All-Suburban Roster with four of them landing first team berths. Utilizing the more than adequate play of reserves, Bill Roy and Ron Jecha, the varsity blasted every team on their schedule including some highly touted downstate teams in the Centralia Tournament.

Fine floor play was demonstrated by Jim "Pretzel Bender" Bragiel and Dave "Little Giant" Roberts. These guards set up the shots for our front men, Dale "Daisy" Sevcik and "Easy" Ed Makovsky. Don "Rubber Legs" Zitek has become one of the highest jumpers that Morton has developed. The boys reached their peak in the game of the year. The night of February 10 saw Morton, ranked first in the state, line up against Freeport, the second ranked team. Playing before a packed house, the Mustangs bent the Pretzels completely out of shape by a score of 70-52.

In the Hinsdale regional, the unbeaten Mustangs booted stubborn Argo and R-B teams to enter the finals with 22 victories behind them. Hinsdale had just used an overtime and one point to beat previously undefeated La Grange which was then ranked second in the state. We faced Hinsdale; and when victory seemed in sight, the Red Devils pulled the same weapons against us with almost scientific precision to win in overtime 47-46.

The finest tribute to the ability of our four time Suburban League Champions is the record which they have compiled over the years. Although the first five has changed somewhat in personnel, the positions which they played, and was graduated directly from frosh-soph to varsity, the team has established an unprecedented record in league play. Through four years of competition they have won 43 out of 44 league games losing only to Waukegan by one point in their sophomore year. As a varsity team, they have been undefeated for two years in succession. Taking all games into consideration, they have made a matchless achievement by winning 62 games while dropping only 6; and 4 of the 6 were lost by the narrow margin of one basket. All in all, this team has exhibited some of the best high school basketball to be seen throughout the state in this or any year.

FROSH-SOPH BASKETBALL . . . The Ponies this year found the winning combination to produce 6 victories over their 16 game season. They gained three of the wins in league play. Nine losses placed them in a tie for fifth place with Proviso. In outside encounters the Ponies obtained a three and one record with victories over Riverside, Elgin, and Freeport. The loss was against Leyden.

Under the direction of Coach Bob Soucek, the Frosh-Soph men opened the season with a 44-33 triumph over Riverside-Brookfield. Dick "Lefty" Kropacek led the Morton attack with 25 points. The Ponies scored their second win as they edged Elgin in a blazing 33-32 battle. In their fourth outing the underclassmen staged their third win and first league victory by trouncing Evanston 46-35.

The Ponies then hit the low road until Proviso yielded to a 36-31 beating. Again Evanston fell before the Soucekmen in their third league win 55-41. The final victory came to the Ponies as they trampled Freeport 50 to 33. Kropacek was high for the season with 124 points, Zelenka was second with 108, and Pawlak was third with 80.

Matmen Produce State Champs

Top: Janes, Ireland, Berder, Coach Wojciechowski, Konovsky, Novak, Veverka
Bottom: Blazek, Carter, Hrdina, Carrigan

Left: Babydoll *Right: Subway*

The 1950-51 wrestling season began with a loss to Calumet. Although Janes, Carter, and Konovsky pinned their men in short order, Calumet made equally short work of the rest of our team and won the meet by a score of 44-15.

Hinsdale came to Morton for the second meet of the season and went home defeated by a score of 23-19. Hrdina, Janes, Peters, Pochyly, and Konovsky came through with wins for the varsity.

Morton plastered Calumet to the tune of 28-26 to avenge an earlier setback. Carrigan, Blazek, Janes, Novak, Carter, and Konovsky took their matches to give the grapplers their second victory of the season.

In a meet at New Trier, only Konovsky won for the Mustangs, Janes being unable to do better than a tie. The final score was 33-7. The next encounter followed suit with Carter outpointing his man and Janes tying for Morton's only points. Thornton overwhelmed all our other boys to triumph 32-5.

A home meet with Evanston proved to be well matched; Janes, Carter, and Konovsky pinned their opponents, and Meginnis won one of the best bouts of his career, to bring the final total to Morton 18, Evanston 22. The Evanston encounter turned out to be the last of the season, as an epidemic of impetigo rendered the Mustangs incapable of finishing out their schedule.

Morton produced some outstanding wrestlers this year. Bob Konovsky, heavyweight, who seemed to become bigger and stronger as he went along, extended his unbeaten record to 30 straight including four tournament bouts. He beat Rimza of Kelly 4-1 to take the state heavyweight title for 1951. Bob's heavyweight wrestling career is unique in that he has never lost a match in interscholastic competition.

Jim Janes, 120 lbs., went through the season without a loss although he tied two. He lost his sectional finals match to Pearman of Proviso whom he had beaten earlier in the season. Pearman went on to take second in the state tourney. Plagued by a sore arm and weakness due to his efforts to make weight, he was thus eliminated. It was the first time in his wrestling career that he lost two matches in a row.

Morton's wrestling team of 1950-51 has been outstanding in sportsmanship and fair play throughout the season. This has been due in no small amount to the time and effort spent by Coach E. M. Wojciechowski.

Netmen Served Hard Fare

This year Morton's varsity netmen operated under the direction of Coach R. Soucek. Several regulars returned from last year's squad. Heading the list are Bill Charvat, Bob Woodring, Dick Kosik, Don Mack, and the Kollenda brothers, Jim and Jack. The frosh-soph team of '49 has brought up some promising men. Among these are Keith Roessing, Ken Novander, Ron Bezouska, and Danny Angelus.

The team got off to a rather slow start as loss followed loss with Riverside-Brookfield, La Grange, York, New Trier, La Grange again, keeping the netmen down. Then the picture changed for the better as the Racquet Wavers whipped Thornton 4-1. Bob Woodring took the first singles 7-5, 6-3; Dan Angelus copped third singles 6-3, 6-2; Jim and Jack Kollenda took the first doubles 6-2, 6-2; Bill Charvat and Dick Kosik ran away with the second doubles 6-3, 6-1.

The second and final win of the season came as the netmen edged Waukegan 3-2. Again Danny Angelus tasted victory while the Kollenda brothers and the combination of Charvat and Kosik conquered their foes also.

3rd row: Gavin, Madden, Van Cara, Voorhees
4th row: Spencer, Pecen, Vetesnik, Schultz
5th row: DeLorenzo, Souvign, R. Baur, Wallace
6th row: F. Baur, Fleck, Sifrar

Facing a long and difficult season, the varsity swimming team found itself with a problem. The top swimmers of the previous year's squad had been graduated and many of the remaining promising regulars were lost due to pressing outside activities. Thus Coach C. L. Bond had to produce a team from inexperienced swimmers. He was aided in this task by Captain Howie Heerdt, Bruce Novark, Niel Barta, and Bill Rank. Newcomers were Don Pelnar, John Kordat, Don Dickey, Dick Capek, and Pete Hanen.

The team plodded along with only Howie Heerdt coming through in the 100 yard back stroke. As the season wore on, Bruce Novark with a great deal of hard work brought his time for the 100 yard breast stroke down to become a consistent scorer. Then, too, Niel Barta came through in the 40 yard free style. The combination of Heerdt, Novark, and Barta for the Medly relay provided quite a few points during the course of the season. Finally the mermen rose to the occasion and in the final home meet of the season drowned the tankmen from Harrison 39 to 27. Bedlam broke loose.

This year's frosh-soph sea-ponies turned in a .500 average winning 7 and losing 7. They showed great promise and with hard work should produce a good team two years from now. Among the mainstays were Fred Pollock and co-captains Don Bozis and Bill Denk.

Diamond Men Make Fast Start

Top: Coach Fencl, Matejka, Stranski, Zitek, Makovsky, Suess, Blaha, Bragiel, Donnelly, Polan

Middle: Mgr. Schneider, Eubler, Roberts, Finder, Salerno, Neuzil, Kocour, Gaberik, Fanelli, Pawlowski, Mgr. Rus

Bottom: Mgr. Stelk, Smith, Rak, Piest, Hlavacek, Colombo, Havel, Zaleski, Mgr. Schalk

Starting the season strongly, Morton's baseball team showed every indication of becoming a possible Suburban League Champion. With nine straight wins under their belts, the Mustangs looked forward to an outstanding season. But an unexpected loss coupled with defeat in a twin bill, dropped the diamondmen to third place in the League. They were unbeaten in non-league competition.

After a 1-0 shutout over Argo in the first game of the year, the Fencl-coached team won their first league game, 3-2 over Proviso. Suess pitched all the way, striking out 15. Following up their victories, Morton, with Donnelly hurling a two-hitter, blanked Thornton 1-0. Behind the steady work of pitcher Fanelli, Niles succumbed 4-0 in another non-league game.

Finding themselves, the slugging Mustangs overpowered Evanston in the first game of a double-header to give George Suess his third win of the year. Though held to four hits in the second game, Morton, led by pitcher Don Zitek, came from behind to triumph 2-1.

Next to fall before the victorious Mustangs was Highland Park in a double-header. Suess and Zitek collected wins of 5-3 and 4-2 to give Morton its seventh and eighth victories. The ninth in a row came at the expense of Niles which fell in a slugfest, 12-5.

Then the tide turned. In a game at Oak Park, the Fencl-men were upset by one run. After beating New Trier 4-3, the Mustangs gave up five runs in the seventh inning of the second game to lose their second of the year. This threw them into a three-way tie for first place in the Surburban League.

Another game with Oak Park gave sweet revenge for a previous loss, but in a disastrous afternoon at Waukegan, the team fell twice before the pitching of Kittell, Bulldog ace. The season ended at Proviso with Morton on the short end of a 7-4 score.

The 1950 baseball season was unique in the number of pitchers' duels recorded. Usually a hard-slugging outfit, this year's team had only one man, Jim Bragiel, hitting in the .300's. Dick Gaberik, first string catcher, though in a batting slump, had an outstanding record of but one error committed in twelve games.

Best of luck to a swell gal in E.E. always Ray Hallein

The 1950 cross-country season was an up-and-down affair which saw our harriers win and lose alternately by large margins. The season began with an unusuall situation—Austin succeeded in battling their way to a 28-28 tie. Joe Males, outstanding distance runner, took first, and Jim Bragiel was right on his heels for a second. These two boys consistently placed high in all competition.

The second meet was lost to Oak Park, but our boys came through to outrun Steinmetz and Crane in a three-way meet at Columbus Park. Harrison fell to the tune of 18-67 (low score wins), but Morton, handicapped by the loss of Males and Bragiel on injuries, could do no better than sixth in the Suburban League meet at Oak Park. A week later, the harriers fell before the onslaught of Oak Park's league champions led by Bob Stuker 19-38. Weakened by the absence of several key men, Morton finished eighth in a field of thirteen in the Proviso district tourney. Bloom, the winner over Oak Park, went on to capture the state title. The season ended with a loss to Proviso in which no Mustang finished better than sixth.

The frosh-soph team displayed outstanding ability in finishing third in the Suburban League and sixth in the Leyden Invitational. Dick Michniak, the stand-out of the team, took first in the former event and fifth in the latter. The Ponies triumphed in all the rest of their encounters except for the season wind-up at Proviso, in which they succumbed, 43-24.

The varsity harriers were ably coached by O. J. Kudrnovsky as were the frosh-soph boys by R. Soucek.

Fleet Mercurys Show Fine Form

Shaped by the capable coaching of O. J. Kudrnovsky and strengthened by an unusual number of fine performers, the 1950 varsity track team made its best showing of recent years. Especially competent were the sprinters led by senior Dave Hessler who often took all three places in their events. Bernard Slanec had an outstanding record in the low and high hurdles; and captain Bob Wydra, all-around star and Dale Voss, high-jumper contributed greatly to the team's success.

The first meet of the outdoor season was a see-saw affair with Proviso which saw the Morton sprinters save the day with a clean sweep in the 100 and 220 yard dashes. In both events Hessler, Benson, and Karpiel finished one-two-three. Slanec took first in the hurdles and Voss won the high jump. The outcome of the meet hinged on the relay, the last event of the day. And the redoubtable sprinters with the assistance of Bob Waszak came through to give Morton the victory by a margin of two points.

In three successive contests with Chicago schools, the trackmen averaged over 76 points in a spree of scoring. Sprinters, hurdlers, quarter-milers, half-milers, milers, high-jumpers, broad-jumpers, and shot-putters combined to trounce Austin, Chicago Indoor Champs, 86-29, Crane 71½-15½, and Steinmetz 71-33.

In the last meet of the season Morton was defeated by Oak Park, always a Suburban League powerhouse. In the League meet, Evanston, the host school, dominated the scoring, relegating the Mustangs to fifth place in a field of seven.

Coach Kudro's Bouncing Boys

The Tumbling and Gymnastics team is the pet project of coach O. J. Kudrnovsky. It performs at exhibitions only, since there is no interscholastic competition in these sports. But the boys that come out to third hour practices learn a great deal of fundamentals as well as having a lot of fun.

The tumbling work is done on the mats. "Coach Kudro," once an exceptional gymnast and tumbler himself, teaches the boys flips, somersaults, and handstands. Although some of these maneuvers may seem simple to the onlooker, a great deal of practice is required to make them look easy. The work of a good tumbler is the apparent effortless ease with which he performs difficult flips.

Tumbling work is not all individual. There are many opportunities for two-man and group feats which call for good timing and coordination. A group which combines individual skills with cooperation to come up with smooth performances is the goal of any tumbling coach.

The gymnasts who work out on the trampoline are among the most envied of the school's athletes. The way they bounce up and down effortlessly appeals to the earthbound gym classes who struggle and sweat on the floor of the stage. But, as anyone who has triedit can tell, the trampoline isn't as innocent as it may look. The performer may suffer a serious injury if he lands the wrong way or misses the center of the trampoline. There is a knack to doing the flips and spins that seem so easy to the inexperienced observer. There is a lot of enjoyment to be gained from the trampoline, and it is yours for the bouncing.

The boys who work on the parallel bars have the most difficult routines of all. Good performers in this line of gymnastics are few and far between, and injuries occur often.

There are no restrictions as to who may join Mr. Kudrnovsky's group other than he have third hour available.

TRACK CLUB . . . As its title denotes, the purpose of the track club is to organize those athletes that have a specific interest, namely track. The objective strived for by the association of trackmen is to encourage and promote this major sport, so that more students will learn to enjoy it and will be able to benefit from this form of exercise. The club is comprised of boys from Morton's track teams as well as other athletes who change sports according to the season and do not specialize in any particular field of athletics.

Among the activities of this organization is the promotion of the annual grammar school track meet which is held at the Keybranch Stadium and is conducted under the auspices of the club. The boys also attend the Chicago Relays as another of their extra-curricular activities.

Serving as officers last semester were: Harvey Karpiel, president; Charles Stepanek, vice-president; Marvin Benson, treasurer; and Harold Christensen, sergeant-at-arms.

This semester's officers are: Vince Capone, president; Harvey Karpiel, vice-president; Charles Andrle, secretary; Fred Jevaney, treasurer; Jerry Kocar, and Bob Mayerhofer, sergeants-at-arms.

TUMBLING CLUB . . . The members of the tumbling club are principally those boys that are on the tumbling team and attend the third hour tumbling and gymnastics class. As the track club, this is also one of those organizations which are devoted entirely to those athletes whose interests lie in tumbling specifically. Those individuals who have not had a tumbling course, however, are also eligible for membership. Under the direction of Coach Kudrnovsky, who is the club's advisor, the club members strive to improve their skill.

The officers for this semester have been: President Don Chochola, Vice President Jack Huml, Secretary Ed Pecen, and Treasurer George Russell.

Morton's letter club is the goal of all her athletes. This organization is devoted to those men who have earned a major letter in any one of the various fields of interscholastic sports such as baseball, basketball, football, and all of the other forms of major athletic competition.

Membership is extremely restrictive, and only those individuals who have the unanimous consent of the club members are inducted. New members are entered into the club at the beginning of each new semester. All new members must face the M Club's initiations before they can boast of being a full-fledged part of the organization. Membership has always been large, and this year is no exception. This semester the boys had to come to the first floor of the auditorium for their weekly meetings which are held during the Home Room period on Thursdays.

Sponsored by the M Club are the semesterly letter awarding programs presented at a student assembly. At these assemblies the boys that have earned enough points to win a school letter are formally presented with one by the head of the athletic department before the student body.

The social functions of the M Club are highlighted by the M Club Hop held annually in February, and the M Club picnic which is held sometime during the last few weeks of school in the early part of June.

The officials serving the organization during this semester are: Jim Bragiel, president; Dave Roberts, vice-president; Florian Neuzil, secretary; and Dale Sevcik, treasurer.

Stretch, Pull — Help, Help!?

We Did It!
Totem Pole?
Need Help?

I Know, Teacher!
On Your Mark—
Bottoms Up!

No need to fear these days when you're in swimming, for the gals who wear those yellow suits are well qualified to guard. They have all passed the test for their Red Cross Life Saving certificate showing their ability to rescue a drowning person. The advisor is Miss Berman. The officers were: Joelyn Smidl, Pres.; Harriet Rabinak, Vice-Pres.; Querida Mongrieg, Sec'y.; Mary Ann Malkowski, Treas. The membership includes: M. Allen, B. Boher, L. Dolezal, L. Hammond, R. Haull, D. Lokay, M. Malkowski, M. Marquet, Q. Mongrieg, L. Morec, J. Novak, B. Priggie, H. Rabinak, J. Smidl, M. Vachta, C. Wissmueller.

The girls who belong to the Tumbling Club really know how to contort their bodies and stretch their muscles into odd positions. Members work for "M's" by doing certain stunts and performing at exhibitions. The advisor is Miss Berman and the officers were: Norma Barr, Pres.; Betty Valicek, Vice-Pres.; Barbara Laibl, Treas.; Pat Pauley, Sec'y.; JoAnne Riha, Publicity Chrmn. The membership includes: A. Depold, M. Fisher, V. Guera, J. Hasel, A. Kobes, C. Krasny, H. Leve, R. Marcuccilli, J. Norek, K. Rozanek, J. Schmidt, D. Secker, C. Sindelar, R. Tortorello, V. Voltz, M. Vosen, P. Wojcik, G. All girls interested in tap dancing are welcome in the beginning tap group. Here the girls learn the fundamentals of tap, practicing until they have perfected them. This club meets every Wednesday afternoon G A in 202. During the second semester the girls get a chance to work on combining the various steps into snappy routines.

The officers of the group are: Pres. Arlene Schwab, Sec'y. and Treas. Ann Vodak. The advisor is Miss Novotny.

The advanced Tap Club is open to the girls who belonged to the Beginners or to girls who take lessons outside of school. In this club the girls work on routines and travel to various places. This year they are going to Great Lakes to perform. They also appeared in the Variety Show and at several PTO meetings. During the year the club entertains the student body by putting on several assemblies.

The officers are: Pres. Georgiana Karnik, Sec'y. and Treas. Elizabeth Novak. The advisor is Miss Novotny.

The GAA is not only a school club but a part of a state-wide organization, and is therefore governed by state rules. In order to become a member, 50 health points and 50 activity points are required. The girls play basketball, volleyball, baseball, and soccer among themselves to earn points. Also, by participating in outside, or unorganized, activities, such as bicycling and skating, the girls are able to earn more points towards their awards.

When a girl officially, becomes a GAA member, she receives a small pin in the shape of our state; the other awards include numerals designating the year of graduation, an M, and the state awards of an I and a state map.

There are numerous parties and teas given each year by this organization. Too, playdays are sponsored by the various schools in this area at which time the girls of these schools get together for a day of fun. This year Morton played host to the playday activities.

The advisors of this club are Miss Berman and Miss McAuley.

Morton's Muscle Girls

The girls who belong to the Girls' M Clubhave gone all-out for sports. They are always willing to improve their skills and enjoy using their energy in developing them. Each week they meet in the girls' gym after school and play team sports in order to earn points for their awards. After an "M" has been earned, the girls receive stars for every extra 1000 points.

These girls must first participate in intramural activities which include volleyball, baseball, and the like until they have earned 1000 points. If they are able to swim four lengths of the pool and have an 85 average, they are awarded an "M" which entitles them to membership in the club.

Each month the girls plan a club activity; this year they enjoyed several bowling, skating, and splash parties. They also hold parties and dinners, and help at school functions such as serving at the Dad-Daughter Banquet.

The advisor is Miss D. J. Griesbaum.

Dear Hattie,
It was
nice having
you in camp. Made to
the team and was glad
to see you again. Hope
you become a leader
of my class.
Love,
Marilyn Blondell

When a girl enters Morton as a Freshman, she finds a well-planned physical education program laid out for her. She learns the rules for soccer, basketball, volleyball, and baseball. In addition to the rules, she learns the techniques and skills of the games. She also learns marching tactics and conditioning exercises.

Down in the swimming pool the Freshmen master swimming fundamentals. The main work is done on perfecting the crawl. Most classes in swimming are divided into deep and shallow water swimmers. The deep water girls have mastered several strokes and work on passing Red Cross Tests.

As a sophomore, she receives instruction in driving. Tests are given showing the student's responsiveness and alertness to certain traffic situations. When weather permits, each student is given a chance to drive with their instructor in a dual-controlled car. Look out, everybody, when you see that gray Ford weaving down the street!

The sophomore can also branch out to special activities. She can enter a training class to become a senior leader whose job it is to help the regular gym teacher; she can also go into the life saving class, the advanced swimming class, and so on.

Each week the girls receive instruction in healthful living and are able to see movies that illustrate cleanliness and prevention of diseases.

Three, Four

Upper right: Alli Oop!
Lower right: Here's How . . .

By the time a girl is a Junior and Senior, she has mastered many of the skills of the games and can really enjoy the sports. Along with regular gym work, the Junior boys and girls get together for social dancing. One day a week the classes meet in the foyer to learn the fox trot, the waltz, and some square dances. The "special feature" in some social dances classes this year was the revival of the Charleston! Seems the girls wore out more males in one period than the coaches did in four months.

In the Junior year, Home Nursing replaces hygiene instruction. The girls learn to care for sick members of the family at home. They also learn to improvise necessary equipment. During the second semester a course entitled "Mother and Baby Care" which teaches the proper methods of feeding, bathing, and clothing an infant is given. At the end of the year Red Cross certificates are awarded.

During the Senior year, girls are given instruction in First Aid. They learn the immediate and temporary care needed for shock, wounds, and other injuries and illnesses; they learn proper methods of transportation, too. The girls practice bandaging each others' hands, head, and feet until applying neat, smooth bandages is perfected.

Dear Hattie,
I have been swell knowing you.
I hope to see you next semester.
Best of luck!
Love
Norma
Brown

Eight year of grammer
four year of high
two year of college
and your ready to die!

Dear Hattie
I wish you good luck in your years at Morton and in future years!

Carolyn Tillmanski

Dear Hattie,
I have enjoyed taking (also the)
Hope that I will see you around next year. Good luck.
Dear Hattie,
I don't know what I would do if I hadn't met you.

Dear Hattie.

A ring is round and has no end and thats how long ill be your friend. Weve had many a good time together this past year. Especially in Bethel and skating. Hmm Loads of luck in the future to a very sweet girl.

Love
Janice Sula

P.S. Don't forget to wash your face.

Best of luck
to a swell girl
I hope
Joy Hurst

Dear Hattie
Sis is it
about the end for me but
just the beginning for you,
the best of everything and
success in everything you
do
Lots of Love
